

COMMITTEE OF THE WHOLE – MAY 7, 2001

**NOISE BY-LAW EXEMPTION
YORK REGION REQUEST
HIGHWAY 7 FROM WESTON ROAD TO PINE VALLEY DRIVE
HIGHWAY 427 TO HWY. 50**

Recommendation

The Director of Legal Services recommends that an exemption to the Noise By-law be granted for a six week period commencing May 20, 2001 for York Region Contract No. 01-150 – Resurfacing of Highway 7, from 8:00 p.m. to 6:00 a.m. weeknights, except Fridays and Saturdays.

Background

We have received a request from York Region Transportation and Works Department (attached) requesting an exemption to the City's Noise By-law to facilitate planing and resurfacing work on Highway 7 from Weston Road to Pine Valley Drive and from Highway 427 to Highway 50 commencing the long weekend in May and extending for approximately five weeks. They have indicated that due to high traffic volumes on Highway 7, the most practical time to carry out these works is from 8:00 p.m. to 6:00 a.m. throughout the week, except for Friday and Saturday nights.

Respectfully submitted,

Heather A. Wilson
Director of Legal Services

Dear Mr. Leach:

**Re: York Region Contract No. 01-150
Planing and Hot Mix Resurfacing of Highway 7 (Y.R. 7) from
Weston Rd. to Pine Valley Dr., and from Highway 427 to Highway 50
Our File: C9959.L01**

Included in our 2001 resurfacing program is the asphalt planing and hot mix resurfacing of Highway 7 (Y.R. 7) from Weston Road to Pine Valley Drive and from Highway 427 to Highway 50.

Due to the high traffic volumes on Highway 7, the most practical time to carry out these works are from 8:00 p.m. to 6:00 a.m. throughout the week, except for Friday and Saturday nights. We understand that this is in conflict with your municipality's noise by-law and therefore are requesting an exemption to the by-law for a period of approximately five weeks commencing after the long weekend in May.

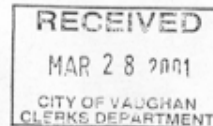

We thank you for your attention to this matter. Should you require additional information please contact me at ext. 5112 or Mr. Tim Machuletz at ext. 5105.

Sincerely,

Don Bunker, C.E.T.
Construction Manager
