

COMMITTEE OF THE WHOLE – APRIL 8, 2002

ASSUMPTION – FIELDGATE – TORVA 19T-86106 \ 65M-2884

Recommendation

The Commissioner of Development Services and Public Works recommends:

That the necessary by-law be passed assuming the municipal services in the Subdivision Agreement for Plan 65M-2884, and that the municipal letter of credit be released.

Purpose

The subdivision has been completed and is ready to be assumed by the City.

Background - Analysis and Options

The 208 lot development is a residential subdivision. The development is located on Worth Boulevard, west of Bathurst Street.

The Subdivision Agreement was signed on November 1, 1993.

The municipal services in Plan 65M-2884 were installed in February 1991 and the top course asphalt was placed in October 1998.

All the documentation required by the Subdivision Agreement for assumption has been submitted. The Executive Director of City Engineering and Public Works has received inspection clearance from all pertinent City Departments and the City Treasurer has confirmed that all of the City's financial requirements regarding this subdivision have been met.

Conclusion

It is therefore appropriate that the municipal services in 65M-2884 be assumed and the municipal services letter of credit be released.
