

COMMITTEE OF THE WHOLE - DECEMBER 9, 2002

NO STANDING RESTRICTION

Recommendation

Regional Councillor Gino Rosati recommends:

1. That a "no standing" by-law be enacted on the south side of Woodbridge Avenue from Arran Crescent (west intersection) to its westerly limit; and
2. That a "no standing" by-law be enacted on the north side of Woodbridge Avenue from #754 Woodbridge Avenue to its westerly limit; as shown on the attached map.
3. That York Regional Police be so advised and request that close monitoring be provided.

Purpose

To prevent loitering and parking in the area.

Background/Analysis

Area residents have been complaining for some time about youth hanging out in the area with their cars and creating disturbance particularly at night. Residents also believe that some illegal activities may be taking place as well as other unpleasant actions and noise also occurring. They are scared in their own neighbourhood.

Conclusion

The subject area is a dead end and with the above recommendation of "standing prohibition" together with police enforcement should alleviate this problem.

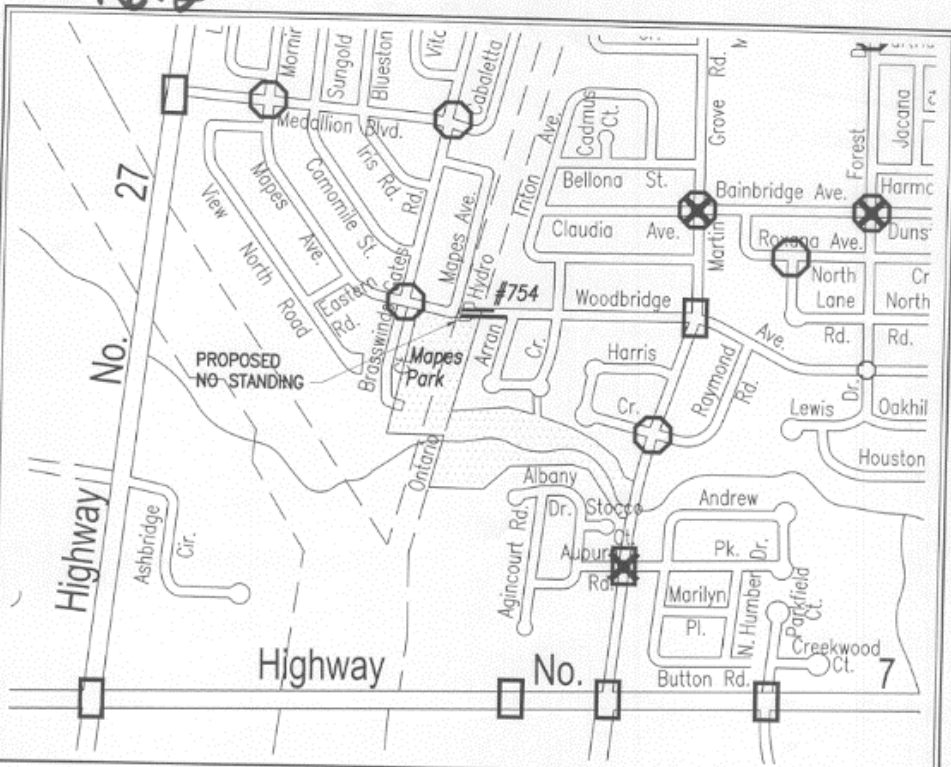

Respectfully submitted,

Gino Rosati,
Regional Councillor
