Purpose

The purpose of this report is to request that Committee of the Whole receive this report and consider funding this project in the 2004 Capital Budget project based on community demand.

Background - Analysis and Options

English Daisy Court is located west of Highway 27 and south of Nashville Road in Kleinberg (refer to attached map). In September 2003, staff from the Parks Development Division undertook a detailed site review of the center island and determined that additional landscaping and a small gathering area could be provided. It is estimated that the cost to implement the additional landscaping and a small gathering area is approximately \$35,000.00.

Conclusion

Based on community demand and concerns expressed by the residents of this community, it is recommended that Committee of the Whole receive this report and consider funding this project in the 2004 Capital Budget.
