

**COMMITTEE OF THE WHOLE - DECEMBER 8, 2003**

**ASSUMPTION – TESTON ROAD WATERMAIN – EXTERNAL TO PLAN  
19T-94044 \ 65M-3132**

**Recommendation**

The Commissioner of Engineering and Public works recommends:

That the necessary by-law be passed assuming the watermain in the Servicing Agreement for Plan 65M-3132, and that the municipal services letter of credit be released.

**Purpose**

The Servicing Agreement has been completed and is ready to be assumed by the City.

**Background - Analysis and Options**

A 900mm diameter watermain located on Teston Road, west of Keele Street, as shown on Attachment 1.

The Servicing Agreement was signed on April 15, 1997.

The municipal services in Plan 65M-3132 were installed in July 1997.

All the documentation required by the Municipal Services Agreement for assumption has been submitted. The Commissioner of Engineering and Public Works has received inspection clearance from all pertinent City Departments and the City Treasurer has confirmed that all of the City's financial requirements regarding this subdivision have been met.

**Conclusion**

It is therefore appropriate that the watermain in 65M-3132 be assumed and the municipal services letter of credit be released.

**Attachments**
