

## **COMMITTEE OF THE WHOLE – FEBRUARY 2, 2004**

### **ASSUMPTION – UNITED CASTLEPOINT 3 19T-95053/ 65M-3405**

#### **Recommendation**

The Commissioner of Engineering and Public Works recommends:

That the necessary by-law be passed assuming the municipal services in the Subdivision Agreement for Plan 65M-3405 and that the municipal services letter of credit be released.

#### **Purpose**

The Subdivision has been completed and is ready to be assumed by the City.

#### **Background - Analysis and Options**

The 115 lot development is a residential subdivision. The development is located west of Islington Avenue, south of Major Mackenzie Drive, as shown on Attachment 1.

The Subdivision Agreement was signed on March 21, 2000.

The municipal services in Plan 65M-3405 were installed in June 2000, and the top course asphalt was placed in August 2002.

All the documentation required by the Subdivision Agreement for assumption has been submitted. The Commissioner of Engineering and Public Works has received inspection clearance from all pertinent City Departments and the City Treasurer has confirmed that all of the City's financial requirements regarding this subdivision have been met.

#### **Relationship to Vaughan Vision 2007**

The development of this subdivision and the assumption of the municipal services is consistent with Vaughan Vision 2007, which encourages managed growth through the implementation of OPA 600 (4.7.1). OPA policies require that development take place in accordance with the requirements and standards of the City and relevant agencies.

This report is consistent with the priorities previously set by Council and the necessary resources have been allocated and approved.

#### **Conclusion**

It is therefore appropriate that the municipal services in 65M-3405 be assumed and the municipal services letter of credit be released.

#### **Attachments**
