

COMMITTEE OF THE WHOLE APRIL 19, 2004

**STREET NAME APPROVAL
STREET NAME RESERVE LIST**

Recommendation

The Commissioner of Planning recommends:

THAT the street names shown on Attachment #1, BE APPROVED as an inventory of street names for use in future development plans.

Background

The Planning Department has assembled a list of possible street names for use by the development community. The applicants for plans of subdivisions and others may choose names from the list, which may be applied to draft plans without further approvals by Council. The City is currently processing more than 45 plans of subdivision within five approved Block Plans, which could require over 200 new street names.

The majority of the names shown on Attachment #1 were found in history (Vaughan, Canada and the Commonwealth) and literature (Shakespeare).

The Planning Department for the Region of York has no objection to the proposed street names.

Staff consider the proposed street names to be satisfactory and should Council concur, the names should be approved.

Relationship to Vaughan Vision 2007

This staff report is consistent with Vaughan Vision 2007, which encourages managed growth through the implementation of OPA #600.
