

COMMITTEE OF THE WHOLE APRIL 19, 2004

PUBLIC HIGHWAY STOP-UP AND CLOSE PARTS 1, 2, 5 AND 6, PLAN 65R-23570 COLOSSUS DRIVE

Recommendation

The Commissioner of Engineering and Public Works recommends:

That Council direct the City Clerk to commence Municipal Act Procedures to stop-up and close a small portion of the public highway called Colossus Drive, described as Parts 1, 2, 5, and 6 on Plan 65R-23570.

Purpose

The purpose of this report is to seek direction from Council to commence proceedings to stop-up and close Parts 1, 2, 5, and 6 on Plan 65R-23570, being part of the public highway known as Colossus Drive.

Background - Analysis and Options

Parts 1, 2, 5, and 6 on Plan 65R-23570 were dedicated as part of the public highway known as "Colossus Drive" in 1998 for the purpose of providing a temporary turning circle. Refer to Attachment No. 1.

Now that Colossus Drive has been extended north-easterly to Highway 7, the temporary turning circle is no longer required. It is therefore, appropriate to stop-up and close the public highway designated as Parts 1, 2, 5, and 6 on Plan 65R-23570 and to reconvey the lands back to the Developer, Riotrin Properties (Vaughan 2) Inc. in accordance with the Development Agreement for Colossus Centre, dated August 29, 2001.

Relationship to Vaughan Vision 2007

This stop-up and closure of a portion of Colossus Drive is consistent with Vaughan Vision 2007 as to ensure that adequate and effective road networks are provided for and maintained.

This report is consistent with the priorities previously set by Council and the necessary resources have been allocated and approved.

Conclusion

Staff recommend that Council direct the Clerk to commence proceedings to stop-up and close Parts 1, 2, 5, and 6 on Plan 65R-23570 being part of the public highway known as "Colossus Drive".
