

**COMMITTEE OF THE WHOLE – JUNE 19, 2006**

**SYNTHETIC SURFACING OF BOCCE COURTS AT WOODBRIDGE HIGHLANDS PARK**

**Recommendation**

Councillor Tony Carella recommends that the petition of local residents---requesting that two of the bocce courts at Woodbridge Highlands Park be converted to synthetic surfaces---be received and forwarded to the Parks Department for costing, and thence to the Budget Committee, for consideration as part of the 2007 budgetary cycle.

**Economic Impact**

To be determined by the Parks Department

**Purpose**

To respond to a petition of local residents

**Background - Analysis and Options**

Local residents are requesting the resurfacing of two of the bocce courts at Woodbridge Highlands Park, the cost of which must be determined by the Parks Department, after which the request will have to be considered by the Budget Committee, as part of its 2007 budgetary cycle.

**Relationship to Vaughan Vision 2007**

This report is consistent with the priorities previously set by Council and the necessary resources have been allocated and approved.

**Conclusion**

It is appropriate for this petition to be reviewed by both the Parks Department and the Budget Committee, before any expense be undertaken in respect of these courts
