**Economic Impact**

N/A

**Purpose**

To address the concern of residents as it pertains to their safety.

**Background - Analysis and Options**

At the present time the posted speed limit on Weston Road from Major Mackenzie Drive to Rutherford Road is 60 km, while from Rutherford Road to Highway 7.... presently stands as 70 km. Cars are constantly speeding on this portion of the road....there is an increase of accidents, noise and residents fear for their safety while walking along Weston Road.

A number of residents have complained about the inconsistent speed limit posted on Weston Rd from Major Mackenzie Drive south to Highway 7.
