Dear Dirk;

Manitoba

Based on our discussions over the past couple of weeks, I am writing to inform you of a couple of items that we have talked about regarding the Baseball Canada National Bantam Championships.

Baseball
Ontario

Baseball Canada is very committed to multi-year bids for events. As you know we have set up a rotation cycle for our National Championships but during our November meetings in Ontario, the Board passed a motion stating that they would again accept multi-year bids for events. This will now allow hosts a better opportunity to sell sponsorship over two to three years rather than on a one time basis.

Our Bantam National event is still open for hosting in 2009. I know that does not leave a whole lot of time to put everything together to host next year. Baseball Canada would seriously consider a multi-year (2009-2011) bid from Vaughan.

Dirk, our Championship Committee was very pleased with your hosting group for the 2008 Pee Wee Nationals and would hope with the above information that your group might consider a multi-year Bantam application.

We look forward to hearing from you as we have set a December 15th deadline to receive hosting bids for any 2009 Championship still needing a host.
