Background - Analysis and Options

The 2009 Annual Report of Vaughan Fire and Rescue Service is the fourth annual report prepared by the department. The annual report is intended to provide a summary of the Department's activities as well as non-technical descriptions of the work of each division/program. An Operational Process Analysis conducted in 2005 by IER Consultants recommended that as part of an overall communication strategy, VFRS should develop a short annual report describing relative operations and highlights of the department.

As such this annual report will enhance communication between VFRS, Council, SMT and the citizens we serve which has been very well received over the past two years by members of the Ratepayers Association, citizens and staff.

Relationship to Vaughan Vision 2020/Strategic Plan

This report is consistent with the priorities previously set by Council and the necessary resources have been allocated and approved. This report conforms to:

- Enhance and Ensure Community Safety, health & Wellness
- Pursue Excellence in Service Delivery
- Value & Encourage a Highly Motivated Workforce
- Citizens first through service Excellence

Regional Implications

The VFRS 2009 Annual Report has no regional implications.

Conclusion

The VFRS Annual Report documents achievements and highlights of the Vaughan Fire and Rescue Service in 2009. The Annual Report is an important part of a VFRS communication strategy as recommended by IER Consultants and will provide Council, Senior Management and our citizens with an overview of the types and categories of service provided by VFRS in 2009.
