

**MEMBER'S RESOLUTION**

<b>Date:</b>	<b>NOVEMBER 15, 2011 – COMMITTEE OF THE WHOLE</b>
<b>Title:</b>	<b>ALLWAY STOP CONTROL AT MARIA ANTONIA ROAD AND AMY WOOD ROAD AS WELL AS MARIA ANTONIA ROAD AND VIA CAMPANILE</b>
<b>Submitted by:</b>	<b>Councillor Rosanna Defrancesca</b>

*Whereas, a number of residents from Maria Antonia Road have met with staff onsite to communicate concerns regarding safety issues with this section of road*

*Whereas, Maria Antonia Road is a primary feeder roadway that intersects with Via Campanile that has recently opened up to Major Mackenzie Road*

*Whereas, this subdivision found within Block 39 is still an area under development, with much development to occur in and around these intersections*

*It is therefore recommended that an allway stop control be installed at the intersection of Maria Antonia Road and Amywood Road as well as Maria Antonia Road and Via Campanile*

Respectfully submitted,

Rosanna Defrancesca  
Councillor Ward 3 (Woodbridge / Vellore)
