Purpose

The purpose of this report is to convey to the Finance and Administration Committee the Council Budgets Task Force's preferred option for allocating funds to discretionary Council Member budgets.

Background - Analysis and Options

On February 7, 2011, the Finance and Administration Committee recommended that a sub-

committee composed of Councillors Carella, DeFrancesca, Iafrate and Racco be established to address the issues raised by Members of Council with respect to Council Expenditure Budgets. The sub-committee was directed to report back to the Finance and Administration Committee meeting of February 22, 2011.

The sub-committee (the Council Budgets Task Force) met on February 11th and February 16th to consider options that would address the issue of allocation of budget funds to Council discretionary budgets.

Following the discussion at the February 11th meeting, Finance staff provided 7 options for the Task Force's consideration on February 16th. The options illustrated various methodologies for allocating additional funds to the Ward Councillors.

The Council Budgets Task Force has recommended Option #6, as set out in the attached report. Pursuant to the Procedural By-law, a matter considered by a sub-committee that requires a decision of Council shall be separately reported to the appropriate committee, which is the purpose of this report.
