

## MEMBER'S RESOLUTION

**Date:** February 28, 2012 **COMMITTEE OF THE WHOLE**

**Title:** EMERALD ASH BORER

**Submitted by:** Councillor Alan Shefman

**WHEREAS** over 80% of Canadians now live in urban areas and have come to rely on the environmental, ecological and economic benefits of urban forests;

**AND WHEREAS** the health of Canadians is sustained by their urban forests which provide services through improving air quality, cooling city streets and buildings, acting as a windbreak, shading from harmful UV rays, and filtering storm water, as well as beautifying our communities;

**AND WHEREAS** neither the federal nor provincial governments currently include urban forestry in their mandates except in a limited role with respect to exotic, invasive pests;

**AND WHEREAS** the Canadian Food Inspection Agency has not been able to stop the spread of the Emerald Ash Borer throughout Ontario and Quebec

**AND WHEREAS** the Emerald Ash Borer is expected to cost Canadians over \$2 Billion dollars in treatment and replanting;

**AND WHEREAS** Canadian forestry programs and research are solely focused on industrial forests and do not at present include urban tree planting, appropriate species research, and insect control and management; and

**AND WHEREAS** other jurisdictions such as the United States Forest Service and the European Urban Forestry Research and Information Centre include urban forestry as a program and research area;

**AND WHEREAS** Canada engages municipalities in a number of substantial infrastructure programs;

**THEREFORE BE IT RESOLVED** that the Municipality of Vaughan calls on the Federal and Provincial governments to take leadership roles in recognizing the need to support urban forestry, by establishing urban forestry mandates and programs which includes funding assistance to municipalities for the control and management of the Emerald Ash Borer- and any future significant imported diseases and insects -as well as the creation and funding of programs designed to support the on-going sustainable management of urban forests.

**BE IT FURTHER RESOLVED** That all municipalities across Ontario be encouraged to endorse this proclamation and that this resolution be distributed to The Honourable Gerry Ritz, Minister of Agriculture and Agri-Food; The Honourable Joe Oliver, Minister of Natural Resources; The Honourable Denis Lebel, Minister of Transport, Infrastructure and Communities; The Honourable Jim Flaherty, Minister of Finance; Local Federal Members of Parliament Peter Kent and Julian Fantino; Honourable Michael Gravelle, Minister of Natural Resources; Honourable Kathleen Wynne, Minister of Municipal Affairs and Housing; Honourable Dwight Duncan, Minister of Finance; Local Provincial Members of the Ontario Legislature Peter Shurman and Greg Sorbara, Tim Hudak, MPP, Leader of Progressive Conservative Party of Ontario and the Opposition Party; Andrea Horwath, MPP, Leader of the New Democratic Party of Ontario; Association of

Municipalities of Ontario; Federation of Canadian Municipalities;

Respectfully submitted,

Councillor Alan Shefman

Letter: Toni Ellis, Ontario Urban Forest Council

City of Vaughan

February 12, 2012

Dear Mr. Abrams,

You may be aware that Ontario, along with many other jurisdictions, is being hit hard by the imported pest Emerald Ash Borer, *Agilus plannipennis*. It has already killed tens of thousands of ash trees. The Municipal Arborists and Urban Foresters, a Committee of the International Society of Arboriculture and the Ontario Urban Forest Council are working to raise awareness about EAB and the environmental and economic fallout.

Public property owners, homeowners, businesses, institutions, and utilities will have to deal with thousands of ash trees before they become a liability and bear the cost of implementing programs to deal with this terrible loss to our urban forest.

Effective EAB programs involve the following:

- Identifying ash trees, size and locations (an inventory)
- Monitoring the distribution of the pest within local areas
- Identifying and treating trees worthy of preservation
- Tree removal on public and private lands, and disposal of wood waste
- Replanting replacement trees.

Currently, neither the Federal nor Provincial Governments are providing sufficient financial/management support to municipalities for implementation of any part of an EAB program. Therefore, we have prepared the attached proclamation calling for **A FEDERAL and PROVINCIAL ROLE IN URBAN FORESTRY**.

Attached is a proclamation we are sending to Clerks across Ontario. We are seeking your Council's endorsement of this proclamation, if they have not done so already, and would ask that you present this to your respective Council for consideration. Thank you for your assistance in bringing this to your Council's attention. If you have any questions, please contact me at 519-362-9469

A handwritten signature in black ink that reads "Toni Ellis".
