Communications Plan

The Corporate Communications Department posts proclamations issued by the City on the City’s website under “Events – Proclamations” and on the City Page Online.

Purpose

To respond to the request received from the Chapter Manager, Autism Ontario York Region Chapter.

Background - Analysis and Options

The correspondence received from the Chapter Manager, Autism Ontario York Region Chapter, received March 6, 2012 is attached. (Attachment 1) This request was received too late to be placed on the last Committee of the Whole meeting Agenda and the next Committee of the Whole meeting is on April 3, 2012. Due to the time-sensitivity of the proclamation request to proclaim April 2, 2012 as World Autism Awareness Day, Council is being requested to consider the proclamation as an addendum item.

The proclamation request meets the City's Proclamation Policy, as follows:

"That upon request, the City of Vaughan issue Proclamations for events, campaigns or other similar matters:

- (i) which are promoted by any organization that is a registered charity pursuant to Section 248 of the Income Tax Act"

Autism Ontario York Region was established in 1973 and has been providing support to many families across York Region and Ontario to help them cope with this devastating disorder. Autism Spectrum Disorders (ASD) currently affect an estimated 2700 City of Vaughan residents and their families. Autism Ontario York Region are a leading source of information and referral on autism and their mandate is to ensure that each individual with autism is provided the means to achieve a better quality of life in the community. The proclamation would raise awareness as well as much needed support. Council has approved this request in the past.

Relationship to Vaughan Vision 2020/Strategic Plan

This report supports the strategic priorities established by Vaughan Vision 2020, in particular "Enhance and Ensure Community Safety, Health and Wellness".

Regional Implications

This report supports the promotion of awareness throughout the Region about autism.

Conclusion

Staff is recommending that April 2, 2012 be proclaimed as "World Autism Awareness Day" in the City of Vaughan, and that the proclamation be posted on the City's website and on the City Page Online. Given that the next meeting of Council is on April 17, 2012, this report recommends that Council consider making the proclamation at its meeting of March 20, 2012 as an addendum item.
