

**COMMITTEE OF THE WHOLE (WORKING SESSION) OCTOBER 16, 2001**

**GEOGRAPHICAL INFORMATION SYSTEM (GIS) STRATEGY**

**Recommendation**

The Commissioner of Development Services and Public Works recommends:

1. That the Vaughan GIS Strategic Plan prepared by Munirom Technologies Inc. be received.  
(See Attachment 1)
  
2. That the presentation of :
  - The Vaughan GIS Strategic Plan
  - The Vaughan Development Tracking Application
  - The Vaughan GIS Web Portalbe received.
  
3. That the Vaughan GIS Strategy be referred to Budget Committee for inclusion in the 2002 Operating and Capital budgets.

**Purpose**

To present the Vaughan GIS Strategic Plan, the “pre-beta” Vaughan Development Tracking Application and the Vaughan GIS Web Portal.

**Background - Analysis and Options**

On February 26, 2001 Council approved the award of RFP00-16 to Munirom Technologies Inc. for the creation and delivery of:

- The Vaughan GIS Strategic Plan
- The Vaughan Development Tracking Application
- The Vaughan GIS Web Portal

Following a thorough consultative process, during which input was solicited from all departments within the City, the GIS Strategic Plan has been prepared for presentation.

The “pre-beta” version of the Vaughan Development Tracking Application has been produced, as has the Vaughan GIS Web Portal, for demonstration.

**Conclusion**

The adoption of the Vaughan GIS Strategic Plan will constitute a blueprint for the development of the Vaughan Enterprise GIS System over a 3 year deployment period.

This Web enabled system will form the foundation for the Vaughan Smart Community Network.

**Attachments**

1. Vaughan GIS Strategic Plan (Confidential report for Mayor and Members of Council only)

Respectfully submitted,

Frank Miele  
Commissioner of Development Services and Public Works
