

**COMMITTEE OF THE WHOLE – AUGUST 20, 2001**

**NO PARKING SIGN ON GREENPARK BLVD.**

**Recommendation**

Councillor Bernie Di Vona recommends:

That Vaughan Council approves the installation of a “No Parking/No Stopping” sign between 7:00 a.m. to 7:00 p.m. on Greenpark Blvd. (across from St. Gregory the Great C.S.).

**Purpose**

Several residents have called to complain about parents dropping off and picking up their kids at the school and blocking their driveways.

**Background - Analysis and Options**

I have consulted with the residents living on the street and they are in favour of this sign.

**Conclusion**

The installation of this sign will improve safety and remedy traffic congestion.
