

COMMITTEE OF THE WHOLE- OCTOBER 1, 2001

ASSUMPTION - YORK JANE 2 19T-83073 \ 65M-2724

Recommendation

The Commissioner of Development Services and Public Works recommends:

- 1) That the noted subdivision be assumed; and
- 2) That the necessary by-law be passed assuming the municipal services in the Subdivision Agreement for Plan 65M-2724, and that the municipal letter of credit be released.

Purpose

The subdivision has been completed and is ready to be assumed by the City.

Background - Analysis and Options

The 18 Block development is an industrial subdivision. The development is located on Jane Street and Langstaff Road, as shown on Attachment 1.

The Subdivision Agreement was signed on June 25, 1989.

The municipal services in Plan 65M-2724 were installed in November 1988 and the top course asphalt was placed in 1999.

All the documentation required by the Subdivision Agreement for assumption have been submitted. The Executive Director of City Engineering and Public Works has received inspection clearance from all pertinent City Departments and the City Treasurer has confirmed that all of the City's financial requirements regarding this subdivision have been met.

Conclusion

It is therefore appropriate that the municipal services in 65M-2724 be assumed and the municipal services letter of credit be released.
