

**COMMITTEE OF THE WHOLE – OCTOBER 22, 2001**

**ASSUMPTION – EMERY CREEK PARK (AVIVA)  
19T-86035 \ 65M-2790**

**Recommendation**

The Commissioner of Development Services and Public Works recommends:

- 1) That the necessary by-law be passed assuming the municipal services in the Subdivision Agreement for Plan 65M-2790, and that the municipal letter of credit be released.

**Purpose**

The subdivision has been completed and is ready to be assumed by the City.

**Background - Analysis and Options**

The 22 block development is an industrial subdivision. The development is located on Weston Road, north of Steeles Ave., as shown on Attachment 1.

The Subdivision Agreement was signed on September 5, 1989.

The municipal services in Plan 65M-2790 were installed in June 1989 and the top course asphalt was placed in September 1998.

All the documentation required by the Subdivision Agreement for assumption has been submitted. The Executive Director of City Engineering and Public Works has received inspection clearance from all pertinent City Departments and the City Treasurer has confirmed that all of the City's financial requirements regarding this subdivision have been met.

**Conclusion**

It is therefore appropriate that the municipal services in 65M-2790 be assumed and the municipal services letter of credit be released.
