

## **COMMITTEE OF THE WHOLE – JANUARY 21, 2002**

### **VAUGHAN WINTERFEST PROPOSED PARKING RESTRICTIONS**

#### **Recommendation**

The Commissioner of Development Services and Public Works recommends:

THAT on Sunday, February 10, 2002 between the hours of 9:30 a.m. and 4:30 p.m. parking of motor vehicles be prohibited on the streets or portions of streets shown below:

1. The south side of Uplands Avenue from Yonge Street to Riverside Boulevard;
2. The east side of Riverside Boulevard from Longbridge Road to Thornhill Avenue;
3. The west side of Vistaview Boulevard from Uplands Avenue to Longbridge Road; and
4. The west side of Shasta Drive from Uplands Avenue to Longbridge Road.

#### **Purpose**

To create temporary parking restrictions on streets near the Uplands Ski Centre for the Vaughan Winterfest Carnival.

#### **Background - Analysis and Options**

Vaughan will be the host to its annual Winterfest Carnival on Sunday, February 10, 2002. This year the Winterfest is returning to the Uplands Ski Centre.

As in previous years when Winterfest was held at the Uplands Ski Centre, it is recommended that temporary parking restrictions be implemented along one side on nearby local streets. These restrictions will allow access to the residential streets by any required emergency service, and reduce parking impacts on local residents. Arrangements have been made to allow event parking on the lots of the Langstaff Education Centre and the Wesley Medical Centre.

#### **Conclusion**

That Council adopt a by-law to temporarily create one side only parking on select streets near the Uplands Ski Centre relative to the February 10, 2001 Winterfest Carnival.
