**MULLEN DRIVE AND YORKHILL BOULEVARD TRAFFIC CALMING COMMITTEES**

**Recommendation**

Councillor Kadis recommends that the Mullen Drive and York Hill Boulevard Traffic Calming Committees reconvene and if necessary additional members be added.

**Purpose**

To discuss the need of implementing additional traffic calming measures for segments of the areas that were not previously addressed.

**Background - Analysis and Options**

There have been several requests for reassessment in segments of both areas for the need of additional traffic calming measures. This would represent the completion of both areas with respect to traffic calming measures.
