

**COMMITTEE OF THE WHOLE MAY 21, 2002**

**SUMMER CAMP BUSSING SERVICE 2002/2003 – T02-071**

**Recommendation**

The Commissioner of Community Services, in consultation with the Director of Recreation and Culture and the Director of Purchasing Services, recommends:

- 1) That Tender T02-071 for Summer Camp Bussing Services – 2002/2003 be awarded to Student Express Ltd.
- 2) That the cost for Summer Camp Bussing Services not exceed the \$128,000.00 approved in the 2002 Department of Recreation and Culture Operating Budget
- 3) That the Mayor and Clerk be authorized to sign the necessary documents.

**Purpose**

Council approval to award Tender T02-071 for Summer Camp Bussing Services – 2002/2003.

**Background - Analysis and Options**

Each summer, parents/care-givers of campers have the option of either providing their own transportation to the camp site or arranging for the bussing service provided by the Department of Recreation and Culture.

In co-operation with the Purchasing Department, it was determined that annual costs may be reduced if the tender was for a two year contract therefore the tender call was for the 2002/2003 summer season.

The tender for this project closed on April 25, 2002 and responses were received from Langdon's Coach Lines Ltd. and Student Express Ltd.

Staff have reviewed the bids and found them satisfactory. The low bidder, Student Express Ltd., has provided bussing services for both the Town of Markham and the City of Toronto and both highly recommend the company for their safety standards and quality of service.

Sufficient funds are allocated in the Department of Recreation and Culture's approved 2002 Operating Budget.

**Conclusion**

It is recommended that Tender T02-071 for Summer Camp bussing services be awarded to Student Express Ltd.
