

COMMITTEE OF THE WHOLE – SEPTEMBER 3, 2002

BUSH DRIVE AND CARTANYA COURT/FRINI COURT ALLWAY STOP CONTROL

Recommendation

Councillor Linda Jackson recommends:

That an allway stop control be installed at the intersection of Bush Drive and Cartanya Court/Frini Court.

Purpose

To review the feasibility of implementing an allway stop control at the intersection of Bush Drive and Cartanya Court/Frini Court, in response to requests received from area residents.

Background - Analysis and Options

Allway stop control had been previously installed at the intersection of Bush Drive and Cartanya Court/Frini Court by developers of the subdivision without accompanying by-laws being brought forward to Council. At its meeting of June 24, 2002, Council approved a staff recommendation that the allway stop be removed, as it would not meet Provincial warrants.

Area residents have since requested that the allway stop be reinstated.

Conclusion

In response to requests received from area residents, it is recommended that an allway stop control be installed at the intersection of Bush Drive and Cartanya Court/Frini Court.
