Dear Mr. Charelli:

Re: York Region Contract No. 02-150  
Planing and Hot Mix Resurfacing of Keele Street (Y.R. 6) from  
Highway 7 (Y.R. 7) to Langstaff Road (Y.R. 72) and from 665m south of Rutherford  
Road (Y.R. 73) to 303m south of Rutherford Road

Included on our 2002 resurfacing program is the asphalt planing and hot mix resurfacing of  
Keele Street from Highway 7 to Langstaff Road and from 665m south of Rutherford Road to  
303m south of Rutherford Road.

Due to the high traffic volumes on Keele Street, the most practical time to carry out these works  
are from 8:00 p.m. to 6:00 a.m. throughout the week, except for Friday and Saturday nights. We  
understand that this is in conflict with your municipality's noise by-law and therefore are  
requesting an exemption to the by-law for a period of approximately four weeks commencing the  
week of September 23<sup>rd</sup>, 2002.

We thank you for your attention to this matter. Should you require additional information,  
please contact me at ext. 5112 or Mr. Tim Machuletz at ext. 5105

Sincerely,

Don Bunker, C.E.T., rcca
