

COMMITTEE OF THE WHOLE- OCTOBER 21, 2002

BRADWICK DRIVE ROAD CLOSURE

Recommendation:

The City Clerk in consultation with the Director of Legal Services recommends:

1. That the City Clerk be directed to commence road closure procedures under the Municipal Act for those parts of Bradwick Drive being Parts 29 and 41 on Plan 7941.

Purpose

The purpose is to seek Council authority to commence road closure procedures.

Background

The City had received a request from 517737 Ontario Limited and Lorwood Holdings Incorporated to reconvey two small parcels abutting Bradwick Drive at Highway No. 7 described as parts 29 and 41 on Plan 65R-7941 to 517737 Ontario Limited and Lorwood Holdings Incorporated who are the abutting owners. The lands were conveyed to the City by the owners in 1980 to form part of Bradwick Drive for daylight triangles for the previous configuration of the intersection of Bradwick Drive and Highway No. 7. Council enacted a by-law to authorize the reconveyance in June 2002. An old by-law dedicating these parts as public highway has been found and accordingly, the owners are requesting road closure procedures to remove it from title.

Conclusion

Accordingly, it is in order to commence road closure procedures as required in The Municipal Act.
