STAFF TO ATTEND VELLORE WOODS RATEPAYERS AGM

Recommendation

Councillor Mario Ferri Recommends:

That City of Vaughan Staff from Community Services, By-Law and Urban Design departments attend a community meeting to make presentations on May 7, 2003 @ 7:30 p.m. at the Vellore School. The agenda contains updates on the high school, community centre, District Park, commercial development along Weston Rd., Rutherford Rd. and Major Mackenzie Dr. as well as parking and other By-law matters.

Purpose

To provide information to the community of Vellore Woods.

Background

The Vellore Woods Ratepayers Association is holding its Annual General Meeting and have asked that updates on all of the above areas be provided to its residents.

Respectfully submitted,

Mario Ferri
Councillor, Ward 1
