

**COMMITTEE OF THE WHOLE – MAY 5, 2003**

**STOP SIGN AT DIANAWOOD RIDGE/JULIAN COURT**

Recommendation

Councillor Bernie DiVona recommends:

That the City of Vaughan installs an all-way stop sign at Dianawood Ridge/Julian Court.

Background

Residents of the neighbourhood have been experiencing increased speeding on this street and have expressed the desire for a stop sign.

I have sent a letter to all the residents of Dianawood Ridge requesting their input and have received overwhelming support for the installation of a stop sign.

Respectfully submitted,

Bernie DiVona, Councillor
