

COMMITTEE OF THE WHOLE – FEBRUARY 3, 2003

ASSUMPTION – MACKENZIE GLEN – PHASE IV
MACKENZIE GLEN DEVELOPMENTS LTD.
19T-90037 \ 65M-3106

Recommendation

The Commissioner of Engineering and Public Works recommends:

That the necessary by-law be passed assuming the municipal services in the Subdivision Agreement for Plan 65M-3106, and that the municipal services letter of credit be released.

Purpose

The subdivision has been completed and is ready to be assumed by the City.

Background - Analysis and Options

The 282 lot development is a residential subdivision. The development is located east of Jane Street, north of Cunningham Drive, as shown on Attachment 1. The Subdivision Agreement was signed on August 26, 1996.

The municipal services in Plan 65M-3106 were installed in July 1996, and the top course asphalt was placed in September 1999.

All the documentation required by the Subdivision Agreement for assumption has been submitted. The Commissioner of Engineering and Public Works has received inspection clearance from all pertinent City Departments and the City Treasurer has confirmed that all of the City's financial requirements regarding this subdivision have been met.

Conclusion

It is therefore appropriate that the municipal services in 65M-3160 be assumed and the municipal services letter of credit be released.
