REQUEST FOR STAFF TO REPORT ON YORK REGIONAL POLICE SATELLITE OFFICES IN COMMUNITY CENTRES

Recommendation

Councillor Peter Meffe recommends:

That staff be directed to report on the feasibility of having York Regional Police satellite offices in the community centres throughout the City of Vaughan.

Purpose

The purpose of this recommendation is to provide Council with information in order to further explore the possibility of implementing York Regional Police satellite offices in City facilities.

Background - Analysis and Options

Whereas a police presences would encourage community safety and well being; and

Whereas police presence would encourage community communications with police officers; and

Whereas police officers would have a location to attend and provide for police needs.

Relationship to Vaughan Vision 2007

This report is consistent with the priorities previously set by Council and the necessary resources have not been allocated and approved.

Conclusion

It is my feeling that providing satellite offices to the York Regional Police could provide the residents of the City of Vaughan with a safer community.
