

COMMITTEE OF THE WHOLE - SEPTEMBER 20, 2004

CASTLE PARK BOULEVARD – ALL-WAY STOP/TRAFFIC CALMING

Recommendation

Regional Councillor Joyce Frustaglio recommends:

1. The attached petition be received as information.
2. That staff be directed to investigate and report to a future Committee of the Whole the need for an all-way stop at Castle Park Boulevard and Laura Sabrina Drive and/or Castle Park Boulevard and Sarno Street.
3. That staff be directed to investigate and report to a future Committee of the Whole the possibility of installing speed humps on Castle Park Boulevard.

Purpose

To reduce and control speeding that is occurring on Castle Park Boulevard.

Background - Analysis and Options

A number of residents in this area have called to complain and petitioned about the speed at which vehicles travel on this road. The road is a long stretch of straight road, which invites vehicles to speed at will.

Relationship to Vaughan Vision 2007

This is consistent with Vaughan Vision 2007;

- 3.3.1 Implement effective traffic calming measures.
