

COMMITTEE OF THE WHOLE – OCTOBER 18, 2004

THORNHILL WOODS DRIVE & SUMMERIDGE DRIVE – TRAFFIC CALMING MEASURES

Recommendation

In response to requests from local residents, Councillor Sandra Yeung Racco recommends:

1. That staff be requested to investigate the need for and the feasibility of installing traffic calming measures along Thornhill Woods Drive; and
2. That staff investigate the need for and the feasibility of installing traffic calming measures along Summeridge Drive; and
3. That staff report to a future Committee of the Whole meeting with respect to their findings as soon as possible.

Purpose

To control traffic issues along Thornhill Woods Drive and Summeridge Drive.

Background - Analysis and Options

Several residents have indicated that there is a problem with speeding traffic along Thornhill Woods Drive and Summeridge Drive. Traffic calming measures are required in order to help reduce vehicular speeds in this subdivision.

Relationship to Vaughan Vision 2007

- 1.1.3 Identify and implement innovative traffic management alternatives to improve general traffic safety.

This report is consistent with priorities previously set by Council.

Conclusion

In response to concerns outlined by area residents, and in order to maintain community safety, it is recommended that staff review the need for traffic calming measures on the specified roads.
