

COMMITTEE OF THE WHOLE – APRIL 4, 2005

AWARD OF TENDER T05-041

LANGSTAFF ROAD – ROAD RECONSTRUCTION AND BRIDGE REPLACEMENT

Recommendation

The Commissioner of Engineering and Public Works in consultation with the Director of Purchasing Services and the Director of Reserves and Investments recommends:

That Tender T05-041 for the Langstaff Road Reconstruction and Bridge Replacement be brought forward to Council.

Purpose

Council approval to award Contract T05-041.

Background - Analysis and Options

The work covered by this tender calls for the reconstruction of Langstaff Road from Highway 27 to Vaughan Mills Road and bridge construction over the Robinson Creek (Capital Budget project 1563-0-05). See Attachment No. 1 for project location.

Tenders will close for this project on April 6, 2005. Staff will prepare an additional information report for this item after the bids have been evaluated for Council's consideration at the April 11, 2005 meeting. Construction is scheduled to commence in early May and be substantially completed by December 2005.

Relationship to Vaughan Vision 2007

This project is consistent with Vaughan Vision 2007 in that the proposed works ensure that growth does not outpace the road network infrastructure (3.2.3).

This report is consistent with the priorities previously set by Council and the necessary resources have been allocated and approved.

Conclusion

To be submitted in the additional information after the Tender has closed.
