Purpose

To facilitate the community's request for road closure support for Maple Santa Claus parade in Maple.

Background - Analysis and Options

The Santafest Committee comprised of several community groups, clubs, organizations, businesses and City staff wish to hold its Seventh Annual Santafest Parade featuring, the ever popular, Santa Claus. The desired parade route would originate at Canada's Wonderland and proceed east along Major Mackenzie Drive to Vaughan Civic Center.

Major Mackenzie Drive is under the jurisdiction of the Region of York, accordingly, it will be necessary to obtain Regional approval and any required permits for this event.

The actual parade is predicted to last approximately one hour from start to finish. However, it is suggested that the parade route be closed to through movement, non-event related traffic between 1:30 p.m. and 3:30 p.m. on the event day. This would assist in orderly spectator arrival and departure along the parade route. Appropriate road detours to facilitate through traffic movement can be arranged and decided upon in upcoming liaison with the appropriate Regional staff.

City staff from various appropriate municipal departments will also be involved in activities such as the procurement of Regional Police assistance, media notification, detour signing and barricade provisions and any other similar requested assistance.

Relationship to Vaughan Vision 2007

This report is consistent with the priorities previously set by Council and the necessary resources have been allocated and approved.

Conclusion

Council's support through its request to the Region of York will ensure a safe and successful parade event.
