

COMMITTEE OF THE WHOLE MARCH 26, 2007

BLOCK 17 –TRAFFIC CALMING

Councillor Sandra Yeung Racco recommends:

1. That staff be directed to review the need for and feasibility of traffic calming measures along Forest Run Boulevard, Ten Oaks Boulevard and Dufferin Hills Drive;
2. That staff and the Local Councillor meet with the local community to discuss a traffic calming plan and to form a traffic calming committee; and
3. That staff report to a future Committee of the Whole meeting.

Economic Impact

N/A

Communications Plan

Staff will circulate a notice of the Traffic Calming Meeting to the local Block 17 community, and advertising will proceed, as per Traffic Engineering policy.

Purpose

To alleviate speeding concerns in the Block 17 area.

Background - Analysis and Options

Residents have brought concerns to my office regarding speeding issues along the primary roads in the Block 17 community, namely Forest Run Boulevard, Ten Oaks Boulevard and Dufferin Hills Drive. Residents would like to initiate traffic calming measures and providing the local community with the opportunity to form a Traffic Calming Committee is the most appropriate method for proceeding with traffic calming initiatives.

Relationship to Vaughan Vision 2007

A-2 Promote Community Safety, Health & Wellness

This report is consistent with the priorities previously set by Council and the necessary resources have been allocated and approved.

Regional Implications

None

Conclusion

It is recommended that staff be directed to investigate the necessity for and feasibility of traffic calming measures along Forest Run Boulevard, Ten Oaks Boulevard and Dufferin Hills Drive. It is also recommended that a community meeting be held to discuss a traffic calming plan and to form a traffic calming committee.
