

**DEVELOPMENT CHARGES – SEMI-ANNUAL ADJUSTMENT**

**Recommendation**

The Commissioner of Finance & Corporate Services and the Director of Reserves & Investments recommends:

- 1) That in accordance with the appropriate semi-annual adjustments sections of each respective development charge by-law, the City Wide Development Charge rates and Special Service Area Development Charge rates be increased 2.8% effective July 1, 2007; and
- 2) That the following revised Development Charge Rates (Attachment 1) be approved.

**Economic Impact**

The semi-annual adjustment will provide a 2.8% increase in City-Wide Development Charges and Special Service Area Development Charges.

**Communications Plan**

Not applicable.

**Purpose**

To obtain Council approval to index the City of Vaughan Development Charges pursuant to the semi-annual adjustment provision in the respective City of Vaughan Development Charge By-laws.

**Background - Analysis and Options**

The Development Charges Act authorizes municipalities to pass By-laws for the recovery of capital costs incurred to provide services to all new development and re-development. A clause in each of the City of Vaughan's Development Charge By-laws states the development charges can be adjusted semi-annually without amendments to the by-laws, as of the 1<sup>st</sup> day of January and the 1<sup>st</sup> day of July in each year in accordance with the most recent change in the Statistics Canada Quarterly, Construction Price Statistics (catalogue No. 62-007).

In order to protect the municipality from escalating construction costs and based on a review of the Statistics Quarterly Construction Price Statistics (catalogue No. 62-007), the City Wide Development Charges and Special Service Area Development Charge Rates should be increased by 2.8% which reflects the six (6) month increase in the index for the period October 1, 2006 to March 31, 2007.

**Relationship to Vaughan Vision 2007**

This report is consistent with the priorities previously set by Council and the necessary resources have been allocated and approved.

**Regional Implications**

Not applicable.

**Conclusion**

Staff recommend that the City of Vaughan Development Charges be increased by 2.8%. The City Wide Development Charge and the Special Service Area Development Charges may be indexed without amending the existing by-law. The revised schedules reflecting the new rates are attached.
