

COMMITTEE OF THE WHOLE – NOVEMBER 19, 2007

HUMAN RESOURCES POLICIES

Recommendation

The Commissioner of Legal and Administrative Services and City Solicitor, and the Director of Human Resources, in conjunction with the Senior Management Team, recommend:

1. THAT this report be received; and,
2. THAT the revised Disciplinary Procedures Policy, Employee Recognition Policy, Mileage and Transportation Reimbursement Policy; Hiring and Nepotism Policy; Respectful Workplace Policy (Workplace Discrimination and Harassment) and Workplace Violence Policy be adopted.

Economic Impact

This report has no cost associated with implementing the recommendations.

Communications Plan

With regard to the rolling out of approved policies, the Human Resources Department will provide training to various management staff with regard to the policy, and those management staff will be provided with the materials to present the new policies to the staff in their areas. In addition, approved policies will be made available on the VIBE, in the Employee Handbook, and will be provided in hard copy as appropriate to update policy manuals. For policies such as the Respectful Workplace and Workplace Violence policy, all employees will be required to sign-off acknowledging that they have been provided with a copy and that the policy has been explained to them.

Purpose

This report provides revised draft policies which have been updated to reflect current trends and to ensure that the policies are consistent with the mission, values and goals of the Corporation and which incorporate the comments of members of the Committee of the Whole.

Background and Analysis

The attached Policies were drafted by staff and reviewed in detail with the Senior Management Team between April and October, 2007. The Policies were brought to the Committee of the Whole (Working Session) on October 10, reviewed in detail, and referred to the Committee of the Whole (Working Session) of October 23, 2007, at which time they were referred to the Committee of the Whole. The following suggested revisions have been incorporated into the Policies.

Hiring and Nepotism Policy:

The definition of favouritism was amended as was Section 1.4.

Human Rights Policy (Workplace Harassment and Discrimination)

The title of the policy was changed to the Respectful Workplace Policy and personal harassment was included into the policy. In addition, the term "volunteers" was amended to specifically indicate City Program volunteers.

Workplace Violence Policy:

The policy was amended to remove language related to personal harassment.

Council Involvement in the Recruitment Process

In the context of discussing the Hiring and Nepotism Policy, the question was raised whether the Mayor and members of Council are influencing in any way, staff hiring at the City of Vaughan.

Staff reviewed the history of the recruitment process with members of the Human Resources team, who have been directly involved over the past couple of years. The Mayor and members of Council are expected to be directly involved in the recruitment process at the City Manager, Commissioner and Director Level by participating in panel interviews that are comprised of Human Resources, the City Manager, Commissioner, and a number of members of Council.

The Mayor and members of Council frequently receive resumes from the public for vacancies, and for future consideration. The practice is that the Mayor and members of Council forward these resumes to the Human Resources Department for review. On occasion, the applicants either directly or through the Mayor and members of Council, request a meeting to discuss their qualifications and potential job opportunities. The meeting is meant to provide information to the applicant in regards to the recruitment process for current or future job opportunities as well as provide them with a point of contact for any enquiries.

In reviewing recruitment experience with Human Resources staff, there does not appear to be any evidence that the Mayor and members of Council have directed the hiring of staff.

City Policy directs that the Mayor and members of Council confine their contact with staff on departmental, operational and directional issues to the City Manager, Commissioners and Directors.

Relationship to Vaughan Vision 2007

The updating of policies relates to the Vaughan Vision 2020 goal of Staff Excellence.

Regional Implications

This report does not have any Regional implications.

Conclusion

The updating of policies displays to employees that we believe that they are important and that we believe they should have information available to them as it relates to their employment with the Corporation.

---	-------------------

DEPARTMENT: HUMAN RESOURCES	SUBJECT: DISCIPLINARY PROCEDURES
---------------------------------------	--

PURPOSE: The Corporation of the City of Vaughan, at all times, should be fair and uniform in its handling of personnel and it should not be open to claims of discrimination. It is therefore necessary that a uniform policy for disciplinary procedures must be followed whereby an employee will be given sufficient notice that the continuation of his/her inappropriate actions will eventually bring about his/her discharge.

The purpose of this policy is to implement a corrective disciplinary process designed to be applied consistently and fairly throughout the Corporation of the City of Vaughan. The City recognizes the need to effectively, fairly and consistently manage all aspects of employee performance in order to sustain employee contribution and enthusiasm.

APPLICATION:

This policy applies to all employees.

DEFINITIONS:

Non-Culpable: Situations or behaviours over which the employee has no control.

Culpable: Situations or behaviours over which the employee has control.

When an employee violates a rule, regulation, policy, notice or standard, the supervisor must conduct an investigation to determine if there was an acceptable reason for breaking the rule, regulation, policy, notice or standard. When a manager or supervisor believes that a rule may have been broken, they should contact the Human Resources Partner who will assist them in the investigation of any potential misconduct.

**CITY OF VAUGHAN

If the result of the investigation is that the supervisor concludes that the behaviour was non-culpable he/she will proceed as follows:

- a) Review the situation with the employee
- b) Counsel the employee by clarifying the rule, regulation, policy, notice or standard for typical situations
- c) Explain the reasons why the employee's behaviour is not appropriate
- d) The supervisor and the employee must work towards establishing a plan of action to avoid a similar misconduct in the future (i.e, training)

Culpable:

If the result of the investigation is that the supervisor concludes that the behaviour was culpable he/she will refer to the progressive levels of discipline, indicated below.

It is imperative that the employee is advised of what is expected of him/her and the possible consequences should their conduct fail to improve.

Once the investigation is complete, the Human Resources Partner is available to assist the manager or supervisor in assessing the results of the investigation and determining the appropriate disciplinary response if any.

LEVELS OF DISCIPLINE FOR CULPABLE BEHAVIOUR

- 1.1 The first level should be a verbal warning given by the employee's immediate supervisor and/or Department head.
