

COMMITTEE OF THE WHOLE - DECEMBER 3, 2007

TRAFFIC CALMING – AUTUMN HILL BOULEVARD

Recommendation

The Commissioner of Engineering and Public Works recommends:

That this report be received for information purposes.

Economic Impact

None.

Communications Plan

Engineering staff will hold a Public Meeting with the Local Councillor and the residents of Autumn Hill Boulevard on Thursday, November 22, 2007. The notices were mailed out and placed on the City's web page. Also, the notices were advertised in the following papers: Vaughan Weekly, Vaughan Citizen, and Lo Specchio.

Purpose

To advise Council of the status of the Autumn Hill Boulevard Traffic Calming Committee.

Background - Analysis and Options

At its meeting on April 2, 2007, Council directed:

- “1. That staff be directed to review the need for and feasibility of traffic calming measures for Autumn Hill Boulevard;**
- 2. That staff and the Local Councillor meet with the community in July 2007 to discuss a traffic calming plan and to form a traffic calming committee; and**
- 3. That staff report to a future Committee of the Whole following the community meeting.”**

Staff will hold a meeting with the community on Thursday, November 22, 2007. At that meeting, the residents will be advised of traffic calming measures available to them for this roadway. The residents will be requested to form a traffic committee to develop a workable plan with the available traffic calming measures. Please refer to Attachment No. 1 for area network.

Relationship to Vaughan Vision 2007

This traffic study is consistent with Vaughan Vision 2007 as to identify and implement innovative traffic management alternatives to improve general traffic safety (1.1.3).

This report is consistent with the priorities previously set by Council and the necessary resources have been allocated and approved.

Regional Implications

Not Applicable.

Conclusion

Staff recommends that this report be received for information purposes.
