

## **COMMITTEE OF THE WHOLE - JANUARY 21, 2008**

### **ASSUMPTION – DREAMWORKS PROPERTY, PHASE 1 19T-02V07 / 65M-3725**

#### **Recommendation**

The Commissioner of Engineering and Public Works recommends:

That the necessary by-law be passed assuming the municipal services in the Subdivision Agreement for Plan 65M-3725 and that the municipal services letter of credit be released.

#### **Economic Impact**

Upon assumption of this development, approximately 0.2 lane kilometers of roadway and associated municipal infrastructure will be added to the City of Vaughan's system. There will be a future cost associated with the operation and long-term maintenance of the additional inventory of lands and public highways that may include roads, sewers, watermains, street lighting, streetscaping, storm water management ponds, parks, etc.

#### **Communications Plan**

Not applicable.

#### **Purpose**

The subdivision has been completed and is ready to be assumed by the City.

#### **Background - Analysis and Options**

The 6 block lot development is a residential subdivision. The development is located south of Kirby Road and east of Keele Street as shown on Attachment 1.

The Subdivision Agreement was signed on November 17, 2003. The municipal services in Plan 65M-3725 were installed in June 2003 and the top course asphalt was placed in May 2005.

All the documentation required by the Subdivision Agreement for assumption has been submitted. The Commissioner of Engineering and Public Works has received clearance from all pertinent City Departments including Engineering Services, Development/Transportation Engineering, Public Works, Building Standards, Parks Development, Parks Operations and Forestry, Development Planning and Clerks. The Reserves and Investments Department has also confirmed that all of the City's financial requirements regarding this subdivision have been met.

#### **Relationship to Vaughan Vision 2020**

The development of this subdivision and the assumption of the municipal services is consistent with Vaughan Vision 2020, which encourages the planning and management of growth and the maintenance of the City's assets and infrastructure.

This report is consistent with the priorities previously set by Council.

**Regional Implications**

There are no Regional implications with respect to the assumption of the municipal works within this subdivision development.

**Conclusion**

It is therefore appropriate that the municipal services in 65M-3725 be assumed and the municipal services letter of credit be released.
