

**COMMITTEE OF THE WHOLE - APRIL 7, 2008**

**APPLICATION FOR A COMPLIANCE AUDIT  
2006 MUNICIPAL ELECTION CAMPAIGN FINANCES  
MICHAEL DI BIASE**

**Recommendation**

The Commissioner of Legal and Administrative Services and City Solicitor recommends:

That Council consider the Application and make a decision to grant or reject the request for a Compliance Audit of the 2006 Municipal Election Campaign Finances of Michael Di Biase.

**Economic Impact**

If the Application is granted and a compliance audit ordered, the costs of the audit will be paid by the City.

If the Application is rejected, and the decision is appealed, there will be legal costs related to the appeal to Court.

**Communications Plan**

The Applicant will be advised of Council's decision.

**Purpose**

To advise Council of the Application for a Compliance Audit of the 2006 Municipal Election Campaign Finances of Michael Di Biase and seek Council's decision.

**Background - Analysis and Options**

On March 25, 2008, an Application was filed with the Deputy City Clerk for a Compliance Audit of Michael Di Biase's 2006 election campaign finances (Attachment 1). Pursuant to the *Municipal Elections Act, 1996* (the "Act"), subsection 81(3), Council has 30 days within which to consider the application and decide whether it should be granted or rejected.

**THE JURISDICTION OF THE COUNCIL**

The proceedings in question are governed by the provisions of s.81 of the Act.

Under section 81(1), an elector who is entitled to vote in an election and believes on reasonable grounds that a candidate has contravened a provision of the Act relating to election campaign finances, may apply for a compliance audit of the candidate's election campaign finances.

Under section 81(2), the application must be made within 90 days after the candidate's last supplementary filing date, in this case February 29, 2008.

Under section 81(3), the Council is required, within 30 days after receiving an application properly made, to consider the application and decide whether it should be granted or rejected.

If the Council decides to grant the application, the Council is required, by resolution, to appoint an auditor licensed under the *Public Accounting Act, 2004* to conduct a compliance audit of the candidate's election campaign finances pursuant to section 81(4) of the Act.

In such circumstances, the auditor is required by section 81(6) to conduct promptly an audit of the candidate's election campaign finances to determine whether he/she has complied with the provisions of the Act relating to election campaign finances, and prepare a report outlining any apparent contravention by the candidate.

Under section 81(8), for the purposes of the audit, the auditor is entitled to have access to all relevant books, papers, documents or things in the possession of the candidate and the City, and has the powers of a commission under Part II of the *Public Inquiries Act*.

The City is required to pay the auditor's costs of performing the audit. If the auditor's report indicates no apparent contravention of the Act, and the Council finds that there were no reasonable grounds for the application, the Council is entitled to recover the auditor's costs from the applicant, pursuant to section 81(11).

Pursuant to section 81(7), the auditor must submit the report to the candidate, the Council, the clerk and the applicant(s).

Under section 81(10), the Council is required to consider the report within 30 days after receiving it. The Council may then commence a legal proceeding against the candidate for any apparent contravention of any provision of the Act relating to election campaign finances.

#### **SUMMARY OF SPECIFIC ALLEGATIONS OF BREACH OF THE *MUNICIPAL ELECTIONS ACT, 1996***

In general terms, the applicant alleges that candidate Michael Di Biase contravened various requirements of the *Municipal Elections Act, 1996*, grouped under a number of "issues" contained in the Affidavit of Raymond Plouffe (Attachment 1).

A summary of the allegations specific to this Application (refer to Attachment 1) are as follows:

##### **Issues 1 - 3**

The applicant alleges that candidate appears to have contravened section 69(1)(m) of the Act in accepting contributions from corporations that may be associated, constituting over-contributions which at the time of the Financial Statement, had not been returned.

##### **Issue 4**

The applicant alleges that the candidate's Financial Statement and Auditor's Report appears to contain incomplete contributor addresses, as required by s.69(1)(f)(iv).

##### **Issue 5**

The applicant alleges that the candidate appears to have contravened sections 69(1) (b), (d), (e) and (f) of the Act for failing to provide an explanation for approximately 60 voided receipts.

##### **Issue 6**

The applicant alleges that the candidate appears to have contravened sections 67(1), 67(2) and 69(1)(k) of the Act as sufficient details or explanation has not been provided for the reduction in reported office expenses in his most recent Financial Statements.

##### **Issue 7**

The applicant alleges that the candidate appears to have contravened sections 66(1), 66(2)(1) & (2), 67(1) and 69(1)(d) and (k) of the Act as the candidate has not provided sufficient details to

explain why the inventory of "goods" (\$190.00) are not treated as an expense in the statement of campaign income and expenses.

### **Issue 8**

The applicant alleges that the candidate appears to have contravened section 70(3) of the Act as a number of contributors are not individuals or valid existing corporations and accordingly are not legal contributors pursuant to the Act.

### **LEGAL AND PRACTICAL CONSIDERATIONS RELEVANT TO DECISION-MAKING BY THE COUNCIL**

The provisions of section 81 of the Act impose a specific responsibility upon the City Council, as a form of tribunal functioning as a judge or arbiter over allegations against a candidate for municipal office, potentially leading to City expenditure for the retaining of an auditor, and a further possible duty to decide in such circumstances, based on the auditor's report, whether or not to initiate prosecutorial proceedings against such candidate for alleged breach of the Act.

In this role, the Council functions as a form of decision-making tribunal analogous to quasi-judicial tribunals established by or under various Provincial statutes.

In these circumstances, the Council is exercising a discretionary decision-making role, imposing requirements of fairness, impartiality and objective decision-making discretion, in the exercise of its specific duty under section 81(3) of the Act to decide, after reviewing the application for the compliance audit of a candidate's election campaign finances and supporting material, whether or not it should be granted or rejected.

If the Council decides to grant the application, this will lead to the appointment of the auditor, who will conduct the audit of the candidate's election campaign finances to determine whether he/she has complied with the provisions of the Act, and prepare a report outlining any apparent contravention, following which the Council will then be required to consider the report and decide whether or not to commence a legal proceeding against the candidate for any apparent contravention of one or more provisions of the Act relating to election campaign finances.

In exercising its discretion as to whether or not to grant the Application for a Compliance Audit of candidate Michael Di Biase's election campaign finances. Council should consider the following:

- Council must make its decision within 30 days after receiving an application;
- Council has no discretion to decline or defer dealing with an application, only to decide whether to grant or reject it;
- Council must base its decision upon grounds relevant to the intention of the Act;
- the intent of the Act is that the election finances of candidates for municipal office be open and documented, that candidates ensure that all possible steps be taken to ensure compliance with the Act relating to contributions and expenses, and that limitations on maximum contributions be strictly enforced;
- the purpose of s.81 is to screen out allegations of election campaign finance wrongdoing which are "frivolous, vexatious, or otherwise devoid of merit", and to ensure that applications are dealt with "expeditiously and without undue delay";
- s.81 of the Act is a "complete code" of procedure for any elector who alleges campaign finance wrongdoing by candidates;

- the principal question before Council involves consideration of whether the applicant has established reasonable grounds to believe that the candidate has contravened the Act;
- if the application reveals that the applicant has reasonable grounds to believe that the candidate has committed a contravention of the Act, an audit is the only remedy;
- reasonable grounds is not to be equated with proof beyond a reasonable doubt or a prima facie case. The appropriate standard of reasonable or credibly-based probability envisions a practical, non-technical and common sense probability as to the existence of the facts and inferences asserted.

### **Relationship to Vaughan Vision 2020**

### **Conclusion**

3. I have reviewed the Financial Statement and Auditors Report of Michael DiBiase dated February 29, 2008 and sworn February 29, 2008 (the "DiBiase Financial Statement") a copy of which is attached as **Exhibit "A"** to my affidavit. I have reviewed the Financial Statement and Auditors Report of Michael DiBiase dated September 4, 2007 and sworn September 4, 2007 (the "DiBiase Financial Statement") a copy of which is attached as **Exhibit "AA"** to my affidavit. I have reviewed the Financial Statement and Auditors Report of Michael DiBiase dated April 2, 2007 and

sworn April 2, 2007 (the "DiBiase Financial Statement") a copy of which is

attached as **Exhibit "AAA"** to my affidavit.

4. For the reasons set out below, I believe on reasonable grounds that the candidate Michael DiBiase has contravened provisions of the Act relating to election campaign finances. Therefore, I am applying to Mrs. Sybil Fernandez, Deputy Clerk, pursuant to sections 81 (1) and (2) of the Act for compliance audit of the candidate Michael DiBiase's election campaign finances.

5. Section 69 (1)(m) of the Act provides:

**69. (1)** A candidate shall ensure that,

(m) a contribution of money made or received in contravention of this Act is returned to the contributors as soon as possible after the candidate becomes aware of the contravention.

6. Section 71 (1) and 72 of the Act provide:

**Maximum, each candidate**

**71. (1)** A contributor shall not make contributions exceeding a total of \$750 to any one candidate in an election. 1996, c. 32, Sched., s. 71 (1).

**Associated corporations**

**72.** For the purposes of sections 66 to 82, corporations that are associated with one another under section 256 of the *Income Tax Act* (Canada) shall be deemed to be a single corporation. 1996, c. 32, Sched., s. 72.

**PART I:**

**Issue #1**

7. In this case a review of the DiBiase Financial Statement shows the following donations:

|                                       |                               |       |
|---------------------------------------|-------------------------------|-------|
| #135 Maystar General Contractors Inc. | 71 Buttermill Avenue, Concord | \$750 |
| #127 KAPP Contracting Inc.            | 71 Buttermill Avenue, Concord | \$750 |
| #136 Startel Masonry Contracting Inc. | 71 Buttermill Avenue, Concord | \$750 |

8. A review of corporate searches for these three corporations, including Maystar General Contractors Inc., (copies of which are attached as **Exhibit "B"**) reveals Joe Maio and Claudio Memme are shown as Officers or Directors of all three of these corporations.

9. In addition, the City of Vaughan website ([www.vaughan.on.ca](http://www.vaughan.on.ca)) shows Joe Maio as a City of Vaughan Ambassador for 2002-2004 and states as follows: "Joe Maio is President of Maystar General Contractors Inc., a company he founded in the mid-1980s... He has subsequently started three other construction related companies: Kapp Contracting Inc., involved in road construction; Startel Masonry Contracting Ltd.; ..." A true copy of the web page is attached hereto as **Exhibit "C"** to my affidavit.

10. Based on this information, there appear to be reasonable grounds to believe that these corporations are associated corporations as defined under section 256 of the Income Tax Act. These donations appear to create over-

contributions totalling \$1,500.00, in contravention of section 71 (1) of the Act. Based on the fact these corporations are all shown in the DiBiase Financial Statement as sharing a common address, and based upon the information contained in the City of Vaughan website, it would appear that the candidate knew or ought to have known that these corporations may be or are associated. As a result, the over-contributions should have been returned prior to, or the latest, at the time of swearing the DiBiase Financial Statement. They were not. As a result, there appear to be reasonable grounds to believe the candidate has contravened section 69(1)(m) of the Act.

**Issue #2**

11. A review of the DiBiase Financial Statement also shows the following donations:

|      |                                 |                                 |       |
|------|---------------------------------|---------------------------------|-------|
| #409 | Memme Excavation Company Ltd.   |                                 |       |
|      | 1315 Shawson Drive, Mississauga |                                 | \$750 |
| #201 | 1115332 Ontario Ltd.            | 1315 Shawson Drive, Mississauga | \$750 |

12. A review of the corporate searches for these two corporations (copies of which are attached as **Exhibit "D"**) reveals that Antonio Nativio is shown as an Officer or Director of both corporations.
13. Based on this information, there appear to be reasonable grounds to believe that these corporations are associated corporations as defined under section 256 of the Income Tax Act. These donations appear to create over-contributions totalling \$750.00, in contravention of section 71(1) of the Act. Based on the fact these corporations are all shown in the DiBiase Financial Statement as sharing a common address, it would appear that the candidate knew or ought to have known that these corporations may be or are associated. As a result, the over-contribution should have been returned prior to, or the latest; at time of swearing the DiBiase Financial Statement. They were not. As a result, these appear to be reasonable grounds to believe the candidate has contravened section 69(1)(m) of the Act.

### **Issue #3**

14. A review of the DiBiase Financial Statement also shows the following donations:

|      |                              |                               |       |
|------|------------------------------|-------------------------------|-------|
| #143 | Ralfran Investments Inc.     | 323 Deerhurst Drive, Brampton | \$750 |
| #146 | Falco Steel Fabricators Inc. | 323 Deerhurst Drive, Brampton | \$750 |

15. A review of the corporate searches of these two corporations (copies of which are attached at **Exhibit "E"**) reveals that Frank Falvo is shown as an Officer or Director of both corporations.
16. Based on this information, there appear to be reasonable grounds to believe that these corporations are associated corporations as defined under section 256 of the Income Tax Act. These donations appear to create over-contributions totalling \$750.00, in contravention of section 71(1) of the Act. Based on the fact these corporations are all shown in the DiBiase Financial Statement as sharing a common address, it would appear that the candidate knew or ought to have known that these corporations may be or are associated. As a result, the over-contribution should have been returned prior to, or the latest, at time of swearing the DiBiase Financial Statement. They were not. As a result, there appear to be reasonable grounds to believe the candidate has contravened section 69(1) (m) of the Act.

## **PART II**

### **Issue #4**

17. My review of the financial statement and auditor's report of Michael DiBiase revealed incomplete contributor addresses. Section 69 (1)(f)(iv) states:

**69. (1)** A candidate shall ensure that,  
(f) records are kept of,  
(iv) the contributor's name and address;

**Issue #5**

18. My review of the financial statements and the auditors report revealed that approximately 60 official receipts have been indicated as void. I verily believe that these voided receipts are not valid voids. The candidate does not provide sufficient details or explanation pertaining to these voided receipts and as a result, there appear to be reasonable grounds to believe the candidate contravened section 69 (1) (b), (d), (e), (f) of the Act.

**Issue #6**

19. Michael DiBiase's statement of Income/Expense shows "Office expenses subject to limitation" of \$13,525.59. However, his first statement showed an amount of \$15,020.75 in Office expenses subject to limitation". The candidate does not provide sufficient details or explanation as to why there has been a change in the office expenses. As a result there appear to be reasonable grounds to believe the candidate has contravened sections 67(1), 67(2) and 69 (1) (k) of the Act.

**Issue #7**

20. The Schedule 3 – Inventory contributed to candidate's campaign states total contributions in the amount of \$190.00 were accepted in the form of "goods and materials". The statement of assets and liabilities reflects an inventory of \$190.00, however the "goods" in the amount of \$190.00 are not included as expense in the statement of campaign income and

expenses. Section 66 (2) does not provide any exception for contribution in the form of "goods". The candidate does not provide sufficient details to explain why the costs incurred for these "goods" are not treated as expense. As a result there appear to be reasonable grounds to believe the candidate has contravened sections 66(1), 66(2)(1) & (2), 67(1), and 69(1)(d) and (k) of the Act.

**Issue #8**

21. My review of the financial statement and auditor's report of Michael DiBiase, dated February 29, 2008 and sworn February 29, 2008 (vi "DiBiase Financial Statement") reveals the following.
22. I verily believe that the following contributors are not valid existing corporations and accordingly are not legal contributors pursuant to Section 70 (3) of the Act.
23. Section 70 (3) of the Act provides:

**Who may contribute**

70. (3) Only the following may make contributions:

1. An individual who is normally resident in Ontario.
2. A corporation that carries on business in Ontario.
3. A trade union that holds bargaining rights for employees in Ontario.
4. Subject to subsection (5), the candidate and his or her spouse. 1996, c. 32, Sched., s. 70 (3); 1999, c. 6, s. 43 (4); 2005, c. 5, s. 46 (4).

24. I verily believe that the above-noted contributors are not individuals and are clearly not corporations and accordingly are not legal contributors pursuant to Section 70 (3) of the Act.

**Conclusion**

25. From the foregoing, it appears clear that there are reasonable grounds to believe that there have been numerous contraventions of the Act, including but not limited to, Sections 66 (1), 66 (2), 66 (3), 67 (1), 67 (2), 69 (1)(e), (f), (k), (m), (n), 70 (3), 78 (3) and 71 (1) of the Act totalling at least \$74, 675.00.

26. The same type of information regarding similarities in corporate names, addresses and common Officers and Directors was put before the Hamilton City Council by an elector in that municipality in 2004. Hamilton City Council refused to direct a compliance audit. The elector filed an appeal pursuant to section 81 (3.3) of the Act to the Ontario Court of Justice. The appeal was allowed. Compliance audits were ordered in relation to the Mayor and two other candidates. Attached as **Exhibit "F"** is a copy of the decision in *Chapman v. Hamilton (City)* dated May 13, 2005. In addition, the same type of information regarding similarities in corporate names, addresses and common Officers and Directors was put before the Vaughan City Council by an elector in that municipality in 2007. Vaughan City Council refused to direct a compliance audit. The elector filed an

appeal pursuant to section 81 (3.3) of the Act to the Ontario Court of Justice. The appeal was allowed. Compliance audits were ordered in relation to the Mayor. Attached as **Exhibit "G"** is a copy of the judgement in *Mastroguiseppe and Ruffolo v. The City of Vaughan* dated February 19, 2007.

27. Given the virtually identical information is being put before Vaughan City Council, I am requesting pursuant to sections 81 (1), (2) and (3) of the Act that a compliance audit of the candidate Michael DiBiase campaign finances for the November 13, 2006 election be directed with 30 days, with a recorded council vote.

# AUDITOR'S REPORT

## MUNICIPAL ELECTIONS ACT, 1996 (SECTIONS 78, 82.1)

To: Michael DiBiase, candidate

I/we have audited the statement of assets and liabilities and income and expenses of Michael DiBiase, candidate, for the campaign period from January 1, 2006 to December 31, 2006 relating to the election held on November 13, 2006. My/our audit was made in accordance with generally accepted auditing standards and accordingly included a general review of the accounting procedures and such tests of accounting records and other supporting evidence as I/we considered necessary in the circumstances except as explained in the following paragraph.

Due to the nature of the types of transactions inherent in an Election Campaign, it is impracticable through auditing procedures to determine that the accounting records include all donations of goods and services, and receipts and disbursements. Accordingly, my/our verification of these transactions was limited to ensuring that the financial statements reflect the amounts recorded in the accounting records of Michael DiBiase, candidate, in accordance with the accounting procedures established by the **Municipal Elections Act, 1996** and I was/we were not able to determine whether any adjustments might be necessary to receipts and disbursements.

In my/our opinion, except for the effect of adjustments, if any, which I/we might have determined to be necessary had I/we been able to satisfy myself/ourselves as to the completeness of the records as described in the preceding paragraph, these statements present fairly the information contained in the accounting records on which the statements are based in accordance with the accounting treatment prescribed by the Act.

The Act does not require me/us to report, nor was it practicable for me/us to determine that contributions reported included only those which may be properly retained in accordance with the provisions of the Act.

# AUDITOR'S REPORT

## MUNICIPAL ELECTIONS ACT, 1996 (SECTIONS 78, 82.1)

To: Michael DiBiase, candidate

I/we have audited the statement of assets and liabilities and income and expenses of Michael DiBiase, candidate, for the campaign period from January 1, 2006 to July 3, 2007 relating to the election held on November 13, 06. My/our audit was made in accordance with generally accepted auditing standards and accordingly included a general review of the accounting procedures and such tests of accounting records and other supporting evidence as I/we considered necessary in the circumstances except as explained in the following paragraph.

Due to the nature of the types of transactions inherent in an Election Campaign, it is impracticable through auditing procedures to determine that the accounting records include all donations of goods and services, and receipts and disbursements. Accordingly, my/our verification of these transactions was limited to ensuring that the financial statements reflect the amounts recorded in the accounting records of Michael DiBiase, candidate, in accordance with the accounting procedures established by the **Municipal Elections Act, 1996** and I was/we were not able to determine whether any adjustments might be necessary to receipts and disbursements.

In my/our opinion, except for the effect of adjustments, if any, which I/we might have determined to be necessary had I/we been able to satisfy myself/ourselves as to the completeness of the records as described in the preceding paragraph, these statements present fairly the information contained in the accounting records on which the statements are based in accordance with the accounting treatment prescribed by the Act.

The Act does not require me/us to report, nor was it practicable for me/us to determine that contributions reported included only those which may be properly retained in accordance with the provisions of the Act.

# AUDITOR'S REPORT

## MUNICIPAL ELECTIONS ACT, 1996 (SECTIONS 78, 82.1)

To: Michael DiBiase, candidate

I/we have audited the statement of assets and liabilities and income and expenses of Michael DiBiase, candidate, for the campaign period from January 10, 2006 to December 31, 2007 relating to the election held on November 13, 2006. My/our audit was made in accordance with generally accepted auditing standards and accordingly included a general review of the accounting procedures and such tests of accounting records and other supporting evidence as I/we considered necessary in the circumstances except as explained in the following paragraph.

Due to the nature of the types of transactions inherent in an Election Campaign, it is impracticable through auditing procedures to determine that the accounting records include all donations of goods and services, and receipts and disbursements. Accordingly, my/our verification of these transactions was limited to ensuring that the financial statements reflect the amounts recorded in the accounting records of Michael DiBiase, candidate, in accordance with the accounting procedures established by the **Municipal Elections Act, 1996** and I was/we were not able to determine whether any adjustments might be necessary to receipts and disbursements.

In my/our opinion, except for the effect of adjustments, if any, which I/we might have determined to be necessary had I/we been able to satisfy myself/ourselves as to the completeness of the records as described in the preceding paragraph, these statements present fairly the information contained in the accounting records on which the statements are based in accordance with the accounting treatment prescribed by the Act.

The Act does not require me/us to report, nor was it practicable for me/us to determine that contributions reported included only those which may be properly retained in accordance with the provisions of the Act.
