COMMITTEE OF THE WHOLE - MAY 5, 2008

APPLICATION FOR A COMPLIANCE AUDIT 2006 MUNICIPAL ELECTION CAMPAIGN FINANCES JOYCE FRUSTAGLIO

Recommendation

The Commissioner of Legal and Administrative Services and City Solicitor recommends:

That Council consider the Application and make a decision to grant or reject the request for a Compliance Audit of the 2006 Municipal Election Campaign Finances of Joyce Frustaglio.

Economic Impact

If the Application is granted and a compliance audit ordered, the costs of the audit will be paid by the City.

If the Application is rejected, and the decision is appealed, there will be legal costs related to the appeal to Court.

Communications Plan

The Applicant will be advised of Council's decision.

<u>Purpose</u>

To advise Council of the Application for a Compliance Audit of the 2006 Municipal Election Campaign Finances of Joyce Frustaglio and seek Council's decision.

Background - Analysis and Options

On April 23, 2008, an Application was filed with the Deputy City Clerk for a Compliance Audit of Joyce Frustaglio's 2006 election campaign finances (Attachment 1). Pursuant to the *Municipal Elections Act, 1996* (the "Act"), subsection 81(3), Council has 30 days within which to consider the application and decide whether it should be granted or rejected.

THE JURISDICTION OF THE COUNCIL

The proceedings in question are governed by the provisions of s.81 of the Act.

Under section 81(1), an elector who is entitled to vote in an election and believes on reasonable grounds that a candidate has contravened a provision of the Act relating to election campaign finances, may apply for a compliance audit of the candidate's election campaign finances.

Under section 81(2), the application must be made within 90 days after the candidate's last supplementary filing date, in this case February 29, 2008.

Under section 81(3), the Council is required, within 30 days after receiving an application properly made, to consider the application and decide whether it should be granted or rejected.

If the Council decides to grant the application, the Council is required, by resolution, to appoint an auditor licensed under the *Public Accounting Act, 2004* to conduct a compliance audit of the candidate's election campaign finances pursuant to section 81(4) of the Act.

In such circumstances, the auditor is required by section 81(6) to conduct promptly an audit of the candidate's election campaign finances to determine whether he/she has complied with the provisions of the Act relating to election campaign finances, and prepare a report outlining any apparent contravention by the candidate.

Under section 81(8), for the purposes of the audit, the auditor is entitled to have access to all relevant books, papers, documents or things in the possession of the candidate and the City, and has the powers of a commission under Part II of the *Public Inquiries Act*.

The City is required to pay the auditor's costs of performing the audit. If the auditor's report indicates no apparent contravention of the Act, and the Council finds that there were no reasonable grounds for the application, the Council is entitled to recover the auditor's costs from the applicant, pursuant to section 81(11).

Pursuant to section 81(7), the auditor must submit the report to the candidate, the Council, the clerk and the applicant(s).

Under section 81(10), the Council is required to consider the report within 30 days after receiving it. The Council may then commence a legal proceeding against the candidate for any apparent contravention of any provision of the Act relating to election campaign finances.

SUMMARY OF SPECIFIC ALLEGATIONS OF BREACH OF THE MUNICIPAL ELECTIONS ACT, 1996

In general terms, the applicant alleges that candidate Joyce Frustaglio contravened various requirements of the *Municipal Elections Act, 1996*, grouped under a number of "issues" contained in the Affidavit of Raymond Plouffe and Carlo DeFrancesca (Attachment 1).

A summary of the allegations specific to this Application (refer to Attachment 1) are as follows:

Issues 1-4

The applicant alleges that candidate appears to have contravened section 69(1)(m) of the Act in accepting contributions from the same contributor, constituting an over-contribution which at the time of filing the Financial Statement, had not been returned.

Issue 5

The applicant alleges that the candidate appears to have contravened section 69(1)(m) of the Act in accepting contributions from what appears to be the same individual, constituting an overcontribution which at the time of filing the Financial Statement, had not been returned.

Issue 6

The applicant alleges that the candidate appears to have contravened sections 69(1) (m) of the Act in accepting contributions from corporations that may be associated, constituting overcontributions which at the time of filing the Financial Statement, had not been returned.

<u>Issue 7</u>

The applicant alleges that the candidate appears to have contravened the Act by not completing the Financial Statements and Auditors Report form properly as the addresses of each and every contributor has not been included.

Issue 8

The applicant alleges that the candidate appears to have contravened section (70)3 of the Act by accepting contributions from entities that are not legal contributors pursuant to the Act. Additionally, the applicant alleges the candidate accepted a contribution from a contributor with no last name or address provided.

Issue 9

The applicant alleges that the candidate appears to have contravened sections 66(1), 66(3), 67(1), 67(2), 69(1)(e),(f),(k), (m), (n), 70(3) and 71(m) of the Act as the candidate has not provided sufficient details to explain why the "In Kind Services" in the amount of \$9,780.00 are declared as income but not as an expense.

LEGAL AND PRACTICAL CONSIDERATIONS RELEVANT TO DECISION-MAKING BY THE COUNCIL

The provisions of section 81 of the Act impose a specific responsibility upon the City Council, as a form of tribunal functioning as a judge or arbiter over allegations against a candidate for municipal office, potentially leading to City expenditure for the retaining of an auditor, and a further possible duty to decide in such circumstances, based on the auditor's report, whether or not to initiate prosecutorial proceedings against such candidate for alleged breach of the Act.

In this role, the Council functions as a form of decision-making tribunal analogous to quasi-judicial tribunals established by or under various Provincial statutes.

In these circumstances, the Council is exercising a discretionary decision-making role, imposing requirements of fairness, impartiality and objective decision-making discretion, in the exercise of its specific duty under section 81(3) of the Act to decide, after reviewing the application for the compliance audit of a candidate's election campaign finances and supporting material, whether or not it should be granted or rejected.

If the Council decides to grant the application, this will lead to the appointment of the auditor, who will conduct the audit of the candidate's election campaign finances to determine whether he/she has complied with the provisions of the Act, and prepare a report outlining any apparent contravention, following which the Council will then be required to consider the report and decide whether or not to commence a legal proceeding against the candidate for any apparent contravention of one or more provisions of the Act relating to election campaign finances.

In exercising its discretion as to whether or not to grant the Application for a Compliance Audit of candidate Joyce Frustaglio's election campaign finances. Council should consider the following:

- Council must make its decision within 30 days after receiving an application;
- Council has no discretion to decline or defer dealing with an application, only to decide whether to grant or reject it;
- Council must base its decision upon grounds relevant to the intention of the Act;
- the intent of the Act is that the election finances of candidates for municipal office be open and documented, that candidates ensure that all possible steps be taken to ensure compliance with the Act relating to contributions and expenses, and that limitations on maximum contributions be strictly enforced;

- the purpose of s.81 is to screen out allegations of election campaign finance wrongdoing
 which are "frivolous, vexatious, or otherwise devoid of merit", and to ensure that
 applications are dealt with "expeditiously and without undue delay";
- s.81 of the Act is a "complete code" of procedure for any elector who alleges campaign finance wrongdoing by candidates;
- the principal question before Council involves consideration of whether the applicant has established reasonable grounds to believe that the candidate has contravened the Act;
- if the application reveals that the applicant has reasonable grounds to believe that the candidate has committed a contravention of the Act, an audit is the only remedy:
- reasonable grounds is not to be equated with proof beyond a reasonable doubt or a prima
 facie case. The appropriate standard of reasonable or credibly-based probability envisions
 a practical, non-technical and common sense probability as to the existence of the facts
 and inferences asserted.

Relationship to Vaughan Vision 2020

This report is consistent with the priorities previously set by Council.

Regional Implications

Not applicable.

Conclusion

Council is required to make a decision within 30 days of receipt with respect to the Application for a Compliance Audit on candidate Joyce Frustaglio's 2006 election campaign finances. Ms Frustaglio was advised that this report would be brought forward to the Committee of the Whole meeting of May 5th and that she may submit any additional information for consideration prior to Council making a decision on this matter. It should be noted that Council should make a decision before May 23rd.

CITY OF VAUGHAN AFFIDAVIT OF RAYMOND PLOUFFE

I, Raymond Plouffe, of the City of Vaughan in the Regional Municipality of York, MAKE OATH AND SAY AS FOLLOWS:

- I am a resident of the City of Vaughan and was entitled to vote in the last 1. municipal election held in Vaughan, Ontario on November 13, 2006.
- For the reasons set out below, I believe on reasonable grounds that the 2. candidate Joyce Frustaglio has contravened provisions of the Act relating to election campaign finances. Therefore, I am applying to Mrs. Sybil Fernandez, Deputy Clerk, pursuant to sections 81 (1) and (2) of the Act for compliance audit of the candidate Joyce Frustaglio's election campaign finances.
- My request for a compliance audit is based on a review of the Financial 3. Statements and Auditors Report filed by the candidate, Joyce Frustaglio, and also on a report filed by Professor MacDermid, presented at a press conference on June 27th, 2007. Attached hereto and marked as Exhibit "A" is an excerpt of that report.
- I have reviewed the Financial Statement and Auditors Report of Joyce 4. Frustaglio dated February 26, 2008 and sworn February 26, 2008 (the

- "Frustaglio Financial Statement") a copy of which is attached as Exhibit "B" to my affidavit.
- I have reviewed the Financial Statement and Auditors Report of Joyce Frustaglio dated September 4, 2007 and sworn September 4, 2007 (the "Frustaglio Financial Statement") a copy of which is attached as Exhibit "C" to my affidavit.
- 6. I have reviewed the Financial Statement and Auditors Report of Joyce Frustaglio dated April 2, 2007 and sworn April 2, 2007 (the "Frustaglio Financial Statement") a copy of which is attached as **Exhibit** "**D**" to my affidavit.
- 7. On the face of the reports filed by Joyce Frustaglio, it appears that she has contravened certain sections of the *Municipal Elections Act*, including and without limitation, Sections 66, 69, 70, 71, 72, 74 and 78 of the said Act. Attached hereto and marked as **Exhibit "E"** is a true copy of the said sections of the said Act.

Issue #1

8. A review of the Frustaglio Financial Statement shows the following donations:

Line 20 Paul Bailey Thornhill, On \$750

Line 153 Paul Bailey Toronto, On \$750

9. Based on Joyce Frustaglio's report, there appears to be reasonable grounds to believe that these two contributions are from the same contributor. These donations appear create over contributions totalling \$750.00 in contravention of section 71(1) of the Act. It would appear that the candidate knew or ought to have known that these two contributors may be or are the same contributor. As a result, the over contribution should have been returned prior to, or at the latest: at the time of swearing the Frustaglio Financial Statement. They were not. As a result these appear to be reasonable grounds that the candidate has contravened section 69 (1) (m) of the Act.

Issue #2

10. Joyce Frustaglio stated in her report the following donations:

Line 22 Delores Franco Thornhill, On \$750 Line 29 Delores Franco Woodbridge, On \$750

11. Based on her report, there appears to be reasonable grounds to believe that these two contributions are from the same contributor. These donations appear create over contributions totalling \$750.00 in contravention of section 71(1) of the Act. It would appear that the candidate knew or ought to have known that these two contributors may be or are the same contributor. As a result, the over contribution should have been returned prior to, or at the latest: at the time of swearing the Frustaglio Financial Statement. They were not. As a result these appear to be reasonable grounds that the candidate has contravened section 69 (1) (m) of the Act.

Issue #3

12. Joyce Frustaglio further reported that she received the following donations:

Line 36 Silvio DeGasperis Woodbridge, On \$750 Line 172 Silvio DeGasperis Woodbridge, On \$750

13. Based on her information in her report, there appears to be reasonable grounds to believe that these two contributions are from the same contributor. These donations appear create over contributions totalling \$750.00 in contravention of section 71(1) of the Act. It would appear that the candidate knew or ought to have known that these two contributors may be or are the same contributor. As a result, the over contribution should have been returned prior to, or at the latest: at the time of swearing the Frustaglio Financial Statement. They were not. As a result these

appear to be reasonable grounds that the candidate has contravened section 69 (1) (m) of the Act.

Issue #4

14. Joyce Frustaglio further reports in her Financial Statements the following donations:

Line 53 Nick Melatti Concord, On \$750 Line 135 Nick Melatti Concord, On \$750

15. Based on Joyce Frustaglio's own information, there appears to be reasonable grounds to believe that these two contributions are from the same contributor. These donations appear create over contributions totalling \$750.00 in contravention of section 71(1) of the Act. It would appear that the candidate knew or ought to have known that these two contributors may be or are the same contributor. As a result, the over contribution should have been returned prior to, or at the latest: at the time of swearing the Frustaglio Financial Statement. They were not. As a result these appear to be reasonable grounds that the candidate has contravened section 69 (1) (m) of the Act.

Issue #5

16. Joyce Frustaglio further reported on her Financial Statements, the following donations:

Line 35 Benny Marotta Concord, On \$750 Line 120 Benedetto Marotta Woodbridge, On \$750

It is common knowledge that "Benny" is a short form for "Benedetto" without knowing the exact addresses of these two donators, one cannot determine if these two contributors are different individuals or the same individuals. I verily believe that these two contributions have been donated by the same individual.

17. Based on Joyce Frustaglio's self-reporting, there appears to be reasonable grounds to believe that these two contributions are from the same contributor. These donations appear create over contributions totalling \$750.00 in contravention of section 71(1) of the Act. It would appear that the candidate knew or ought to have known that these two contributors may be or are the same contributor. As a result, the over contribution should have been returned prior to, or at the latest: at the time of swearing the Frustaglio Financial Statement. They were not. As a result these appear to be reasonable grounds that the candidate has contravened section 69 (1) (m) of the Act.

Issue #6

18. Joyce Frustaglio further reports in her Financial Statements the following donations:

#204 Memmeco Holdings Inc. Concord \$750#219 Maico Holdings Inc. Vaughan \$750

- 19. A review of corporate searches for these two corporations, (copies of which are attached as Exhibit "F") reveals Sheldon J. Berg is shown as Officer or Director of both of these corporations.
- 20. Based on Joyce Frustaglio's own information, there appears to be reasonable grounds to believe that these corporations are associated corporations as defined under section 256 of the Income Tax Act. These donations appear to create over-contributions totalling \$750.00, in contravention of section 71 (1) of the Act. Based on the fact these corporations are all shown in the Frustaglio Financial Statement as sharing a common address, and based upon the information contained in the City of Vaughan website, it would appear that the candidate knew or ought to have known that these corporations may be or are associated. As a result, the over-contributions should have been returned prior to, or the latest, at the time of swearing the Frustaglio Financial Statement. They were not. As a result, there appear to be reasonable grounds to believe the candidate has contravened section 69(1)(m) of the Act.

Issue #7 (Addresses)

21. Joyce Frustaglio has been a Councillor of the City of Vaughan for a number of years and an experienced member of Council. A review of Joyce Frustaglio's Financial Statements and Audtors Reports reveal that she has not completed the form that is required and mandated by the Municipal Elections Act.

- 22. Joyce Frustaglio has failed to complete the form properly by including the addresses of each and every contributor.
- 23. A review of Professor MacDermid's report made at the Conference on June 27th, 2007, speaks to the fact that every candidate must include the address of each and every contributor as required and mandated by the Municipal Elections Act.

Issue #8 (Non-Contributors)

24. My review of the financial statement and auditor's report of Joyce Frustaglio dated February 26, 2008 and sworn February 26, 2008 ("Frustaglio Financial Statement") reveals the following.

Line ID	<u>Name</u>	Address	<u>Amount</u>
No. 26	Add Rom Bookkeeping Services	Woodbridge, On	\$750.00
No. 105	The Rexlaw Management Limited Partnership	Toronto, On	\$750.00

No. 142	Country Wide (Thornhill Estates) CONDOR	Concord, On	\$750.00
		TOTAL	\$7300.00

- 25. Joyce Frustaglio's records of her contributions clearly show that the entities who provided contributions are not valid contributors in accordance with Section 70(3) of the *Municipal Elections Act*. None of the above-noted contributors are:
 - (a) an individual who is normally resident in Ontario;
 - (b) a Corporation that carries on business in Ontario; or
 - (c) a trade union who holds bargaining rights for employees in Ontario.
- 26. A blatant contribution on Line 245 states that the contributor is someone named "Sam". There is no last name of this contributor and there is no address, as required and mandated by the *Municipal Elections Act*.

Issue #9

27. The Schedule 3 – Inventory contributed to the candidate's campaign states that no contributions were made in the form of "goods and materials". The Schedule 1 – List of Contributions – Final does not declare any contributions in the form of goods, materials or services. The candidate does not provide sufficient detail to explain why the "In Kind Services" in the amount of \$9,780.00 are declared as income in the Statement of Campaign Period Income and Expenses but not as expense in the Statement of Campaign Period Income and Expenses. Section

66(1) clearly states that "services" are deemed contributions. As a result there appear to be reasonable grounds to believe the candidate has contravened sections 66(1), 66(3), 67(1), and 69(1) (d) and (k) of the Act.

Conclusion

- 28. From the foregoing, it appears clear that there are reasonable grounds to believe that there have been numerous contraventions of the Act, including but not limited to, Sections 66 (1), 66 (3), 67 (1), 67 (2), 69 (1)(e), (f), (k), (m), (n), 70 (3), and 71 (1) of the Act, totalling at least \$20,830.00.
- 29. A similar request for a compliance audit was put before the Hamilton City Council by an elector in that municipality in 2004. Hamilton City Council refused to direct a compliance audit. The elector filed an appeal pursuant to section 81 (3.3) of the Act to the Ontario Court of Justice. The appeal was allowed. Compliance audits were ordered in relation to the Mayor and two other candidates. Attached as **Exhibit "G"** is a copy of the decision in Chapman v. Hamilton (City) dated May 13, 2005. In addition, a similar request for a compliance audit was put before the Vaughan City Council by an elector in that municipality in 2007. Vaughan City Council refused to direct a compliance audit. The elector filed an appeal pursuant to section 81 (3.3) of the Act to the Ontario Court of Justice. The appeal was allowed. Compliance audits were ordered in relation to the Mayor. Attached as **Exhibit "H"** is a copy of the judgement in Mastroguiseppe and Ruffolo v. The City of Vaughan dated February 19, 2007.

30. Given the virtually identical information is being put before Vaughan City Council, I am requesting pursuant to sections 81 (1), (2) and (3) of the Act that a compliance audit of the candidate Joyce Frustaglio campaign finances for the November 13, 2006 election be directed with 30 days, with a recorded council vote.

SWORN before me at the City of Vaughan, in the Province of Ontario, this 23rd day of April 2008.
