### **FATHER ERMANNO CRESCENT TRAFFIC REVIEW**

#### **Recommendation**

Councillor Bernie DiVona recommends:

1. That Staff investigate and determine other possible traffic calming measures such as curb bumps-out, chicanes, and painted road narrowings that can be installed on both the north and south legs of Father Ermanno Crescent; and
2. That the cost to implement would be determined at a later date pending on the type and number of possible measures proposed.

#### **Purpose**

The public meeting allowed the residents to voice their concerns to the City staff and York Regional Police regarding safety in their community and parks.

#### **Background - Analysis and Options**

At a public meeting dated August 20, 2007, attended by York Regional Police, City of Vaughan Enforcement Services, Property Manager for the Chancellor Square Plaza and Councillor Bernie DiVona, some 60 families expressed their outrage and frustration with: increased vandalism to property; graffiti to their properties when they have complained about the youth; illegal parking, double parking; frequent pickup and drop offs; poor sight visibility when travelling along their street; extreme speeding and racing on the straight roadway sections; noise complaints and garbage emanating from Chancellor Square Plaza; large groups of youth causing an environment of fear.

York Regional Police has given assistance and advised they would enhance CORE Unit enforcement and activities.

#### **Relationship to Vaughan Vision 2007**

This report is consistent with the priorities previously set by Council.

#### **Conclusion**
