

**COMMITTEE OF THE WHOLE NOVEMBER 17, 2008**

**DRAFT PLAN OF CONDOMINIUM FILE 19CDM-08V06  
SPRINGSIDE GARDEN ESTATES CORP.**

**Recommendation**

The Commissioner of Planning recommends:

1. THAT Draft Plan of Condominium File 19CDM-08V06 (Springside Garden Estates Corp.) BE APPROVED, subject to the conditions set out in Attachment #1.

**Economic Impact**

There are no requirements for new funding associated with this report.

**Communications Plan**

N/A

**Purpose**

The Owner has submitted a Draft Plan of Condominium (Attachment #3) on the subject lands shown on Attachment #2. The application pertains to Buildings "A" and "H" on the approved site plan shown on Attachment #4. Building "A" is a 10,689.80 m<sup>2</sup> three-storey office building consisting of 81 office units (26 ground floor units, 26 second floor units, and 29 third floor units) and Building "H" is a one-storey 599.41 m<sup>2</sup> commercial building consisting of 5 units. A total of 430 parking spaces are provided consisting of 141 at-grade and 289 below grade parking spaces. The surface parking includes three spaces reserved for taxi cabs to serve the development as shown on Attachment #3. The development is currently under construction.

**Background - Analysis and Options**

**Location**

The subject lands shown on Attachment #2 are located on the east side of Jane Street, north of Rutherford Road, municipally known as 9401 and 9411 Jane Street, in Part Lot 17, Concession 4, City of Vaughan. The surrounding land uses are shown on Attachment #2.

**Official Plan and Zoning**

The subject lands are designated "General Commercial" by OPA #600 as amended by site-specific OPA #654, which was approved by the Ontario Municipal Board (OMB) on June 20, 2006 as part of Decision Order #1761. OPA #654 facilitates the overall development of the applicant's lands with a three-storey office building, three live/work buildings, three residential buildings, and a commercial building as shown on Attachment #4. The draft plan of condominium conforms to the Official Plan.

The subject lands are zoned C4 Neighbourhood Commercial Zone by By-law 1-88, subject to Exception 9(1269). The draft plan of condominium complies with By-law 1-88.

**Application Review**

The draft plan of condominium is in accordance with the approved Site Plan (File DA.06.026 as amended by File DA.08.066). As a condition of approval, the Owner will be required to submit an

“as-built” survey to the satisfaction of the Building Standards Department, prior to the registration of the final condominium plan.

Garbage and recycling materials will be stored internal to the buildings, and will be privately picked up. Private snow removal will also be the responsibility of the Condominium Corporation.

#### Access and Easements

The development is accessed by a full movement driveway from Jane Street, located opposite Auto Vaughan Drive, which leads to the above and below grade parking areas for the entire site. The subject lands are proposed to be divided into three separate condominium corporations (Attachment #5), therefore reciprocal access easements over the 3 condominium plans are required. A condition of approval is included in Attachment #1.

#### Toronto and Region Conservation Authority (TRCA)

The Toronto and Region Conservation Authority has reviewed the condominium application and has no objection to its approval, subject to conditions, which are included in Attachment #1.

#### Canadian National Railway (CN)

CN has no objections to the draft plan of condominium, however, has provided warning clauses to be included in the Condominium Agreement, which are included in the Conditions of Approval in Attachment #1.

#### Relationship to Vaughan Vision 2020

This report is consistent with the priorities set forth in Vaughan Vision 2020, particularly “Plan & Manage Growth & Economic Vitality”.

#### Regional Implications

The Region of York has reviewed the proposed condominium plan and has no objections to its approval.

#### Conclusion

The draft plan of condominium is consistent with the approved site plan. The Development Planning Department has no objections to the approval of the draft plan of condominium, subject to the conditions set out in Attachment #1.

## **ATTACHMENT NO. 1**

### **CONDITIONS OF DRAFT APPROVAL**

**DRAFT PLAN OF CONDOMINIUM 19CDM-08V06  
{Springside Garden Estates Corp.}  
LOT 17, CONCESSION 4, CITY OF VAUGHAN**

**THE CONDITIONS OF THE COUNCIL OF THE CITY OF VAUGHAN THAT SHALL BE SATISFIED PRIOR TO THE RELEASE FOR REGISTRATION OF PLAN OF CONDOMINIUM 19CDM-08V06, ARE AS FOLLOWS:**

#### **City of Vaughan Conditions**

1. The Plan shall relate to a draft plan of condominium, prepared by Rady-Pentak & Edward Surveying Ltd, drawing #06-278, dated February 29, 2008.
2. Prior to the execution of the condominium agreement, the Owner shall submit a pre-registered plan of condominium to the Development Planning Department.
3. The Owner shall enter into a condominium agreement with the City of Vaughan, and shall agree to satisfy any conditions with respect to such matters as landscaping and site development and any other matters that the City may consider necessary with respect to Site Plan Files DA.06.026 and DA.08.066.
4. The following provisions shall be included in the condominium agreement:
  - i) the Condominium Corporation shall be responsible to regularly clean and maintain all driveway catch basins;
  - ii) the Owner shall supply and install, and the Condominium Corporation shall maintain mail equipment to the satisfaction of Canada Post;
  - iii) snow removal and clearing shall be the responsibility of the Condominium Corporation; and,
  - iv) garbage and recycling pick-up shall be the responsibility of the Condominium Corporation.
5. The condominium agreement shall be registered on title against the lands to which it applies, at the cost of the Owner.
6. Prior to final approval, the Owner shall submit an "as-built" survey to the satisfaction of the Building Standards Department.
7. Prior to final approval, the Owner shall confirm that all required easements and rights-of-way for access, utilities, drainage and construction purposes have been granted to the appropriate authorities.
8. Prior to final approval, the Owner shall confirm that they have paid all outstanding taxes, development charges and levies, as may be required by the Finance Department.

## Canadian National Railway Conditions

9. The Owner shall install and maintain at its own expense a chain link fence of minimum 1.83 metre height along the southerly property line (located entirely on the subject property).
10. The Owner shall, in the event of any proposed alterations to the existing drainage pattern affecting Railway property, receive prior concurrence from the Railway, acting reasonably, and such request shall be substantiated by a drainage report to the satisfaction of the Railway.
11. The proposed office Building 'A' shall be constructed prior to or in conjunction with any other building containing a residential use, to ensure that an appropriate intervening buffer is provided prior to occupation of any residential use within a structure on the site.
12. The Owner is required to retain a qualified acoustical consultant in order to undertake a final detailed analysis of noise in order to confirm the abatement measures necessary to achieve the maximum level limits set by the Ministry of Environment, as more clearly specified in the site-specific Official Plan Amendment for the subject lands. Upon review and approval of the noise and vibration reports, all recommendations provided are to be provided, implemented and maintained.
13. The Owner agrees to include in all offers or agreements of purchase and sale or lease, respecting lands proposed for commercial uses, the following warning clauses:

"All persons presently having or who may in the future acquire any interest in the subject lands are hereby notified as follows:

- i) that Canadian National Railway Company ("CN") is the Owner of certain lands known as its "MacMillan Rail Yard" (the "CN Lands"), portions of which are located within 300 metres of the Project Lands, and that the CN Lands are now and will continue to be used for the present and future railway facilities and operations of CN on a continuous basis (24 hours of each day in each year) including, without limitation, the operation and idling of diesel locomotives with the generation of diesel fumes and odours, artificial lighting of the CN Lands which may illuminate the sky, the loading, unloading and switching of rail cars containing bulk and other commodities including hazardous substances and/or goods containing the same, and the operation of various processes for the maintenance of rail equipment;
- ii) that the use of such present and future railway facilities and operations may result in the discharge, emission, releasing or venting upon or other effect of the Project Lands at any time during the day or night of or by dust, smoke, fumes, odours and other gaseous and/or particulate matter, noise, vibration and other sounds, light, liquids, solids and other emissions of every nature and kind whatsoever (herein collectively called the "Operational Emissions"), any or all of which may be annoying, unpleasant, intrusive or otherwise adversely affect the use and enjoyment of the Project Lands or any part thereof notwithstanding the inclusion of features within the development of the Project Lands which are intended to attenuate, lessen or otherwise minimize or eliminate the impact of the Operational Emissions upon the use and enjoyment of the Project Lands;

- iii) that CN and its customers will not be responsible for any complaints or claims by or on behalf of the owners and occupants of the Project Lands arising from or out of or in any way in connection with the Operational Emissions and any and all effects thereof upon the use and enjoyment of the Project Lands or any part thereof, and whether arising from the presently existing facilities and operations of CN upon the CN Lands or from any and all future renovations, additions, expansions and other changes to such facilities and/or future expansions, extensions, increases, enlargements and other changes to such operations which could include the acquisition of additional lands for the purpose of expanding the facilities and operations of the MacMillan Rail Yard;
  - iv) that CN shall not be required to change any of its facilities or operations upon the CN Lands as a result of or in response to any such complaints or claims;
  - v) that owners, tenants, employees, guests and all other occupants, invitees and users of the Project Lands or any part thereof may be required by governmental authorities having jurisdiction to evacuate the Project Lands by reason of a hazardous situation upon or an accidental release of hazardous substances from the CN Lands;
  - vi) the Owner agrees to include the above referenced Warning Clauses in any Condominium Declaration and Condominium Agreement with the municipality.
14. The Owner agrees that a large area plan shall be displayed in the sales pavilion(s):
- i) that the units and blocks experience or may experience existing or potential noise, lighting and other environmental problems;
  - ii) the type and location of fencing and noise attenuation features incorporated into the design of the units, the development and adjacent public lands; and,
  - iii) the location and identification of the CN MacMillan Rail Yard (identifying the hump and pull back track operations).
15. The Owner shall enter into an Agreement with CN stipulating how CN's concerns will be resolved and will pay CN's reasonable costs in preparing and negotiating the agreement.

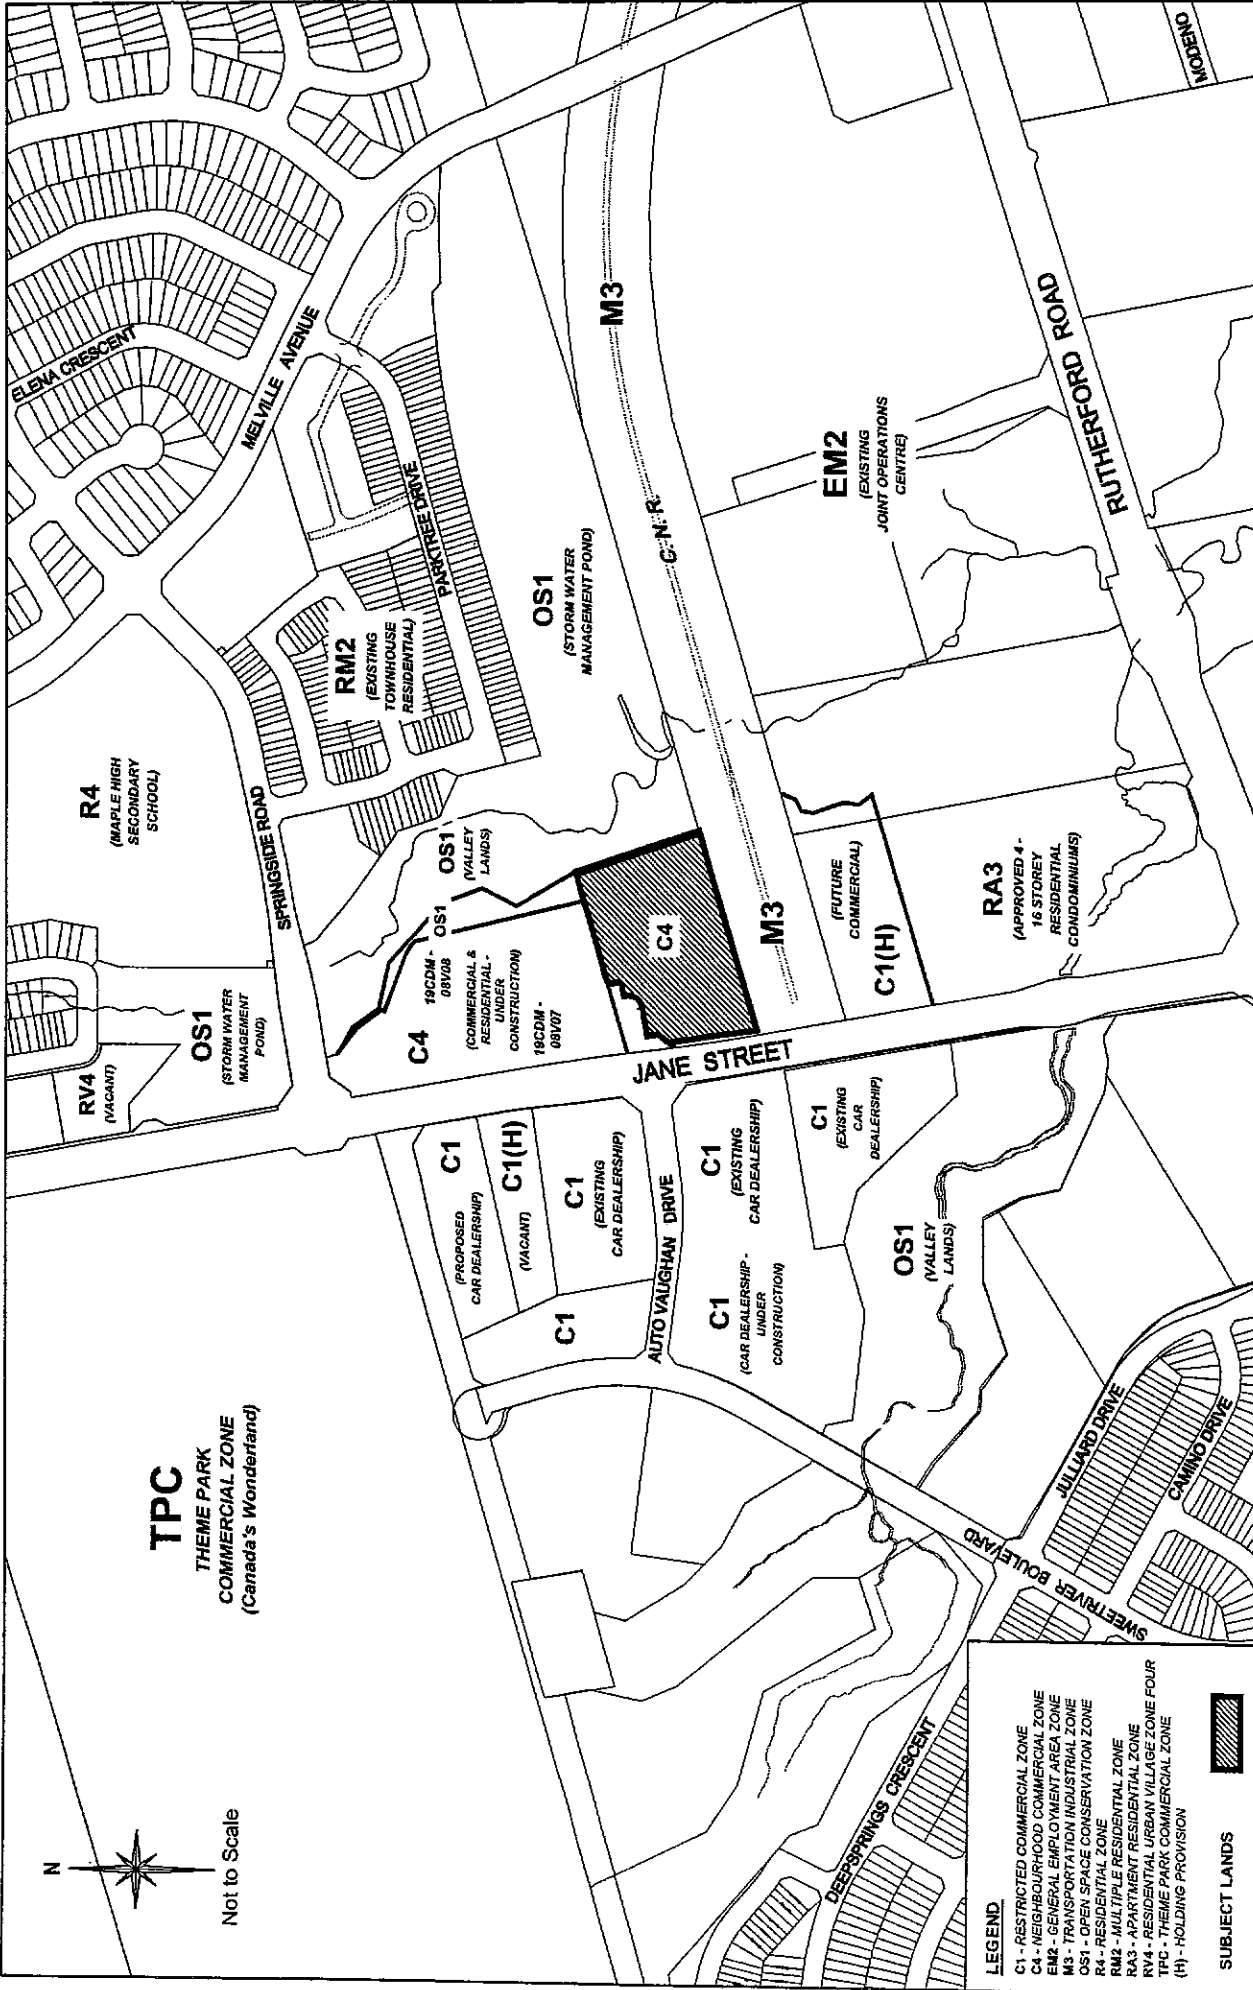

Toronto and Region Conservation Authority (TRCA)

16. The Owner shall, prior to the registration of the Condominium description and declaration, satisfy the following:
- i) The applicant/proponent shall provide a Restoration Plan/Restoration Planting Plan for the area along the easterly limit of the site, more particularly located in the area commencing from the southern limit, adjacent to Building A, and running to Building B, to the satisfaction of the TRCA;
  - ii) The applicant/proponent shall agree that interim soil stabilization be undertaken, or provide verification that the stabilization has been completed, in order to ensure stability of the area where grading is proposed adjacent to the dripline and within the Regulated Area, to the satisfaction of the TRCA; and,

- iii) The applicant/proponent shall submit an Ontario Regulation 166/06 permit application to the TRCA for the proposed works to be undertaken within the regulated area adjacent to Buildings A and B.

Clearances

- 17. The City of Vaughan (Development Planning Department) shall advise that Conditions 1 to 8 inclusive, have been satisfied.
- 18. CN Rail shall advise the City of Vaughan that Conditions 9 to 15 inclusive, have been satisfied.
- 19. The Toronto and Region Conservation Authority shall advise the City of Vaughan that Condition 16, has been satisfied.
