

SIGN VARIANCE APPLICATION

FILE NO: **SV.10-005**
OWNER: **2227192 ONTARIO INC.**
LOCATION: **10480 ISLINGTON AVENUE, UNIT 3, YCC 960**
WARD 1

Recommendation

The Sign Variance Committee recommends:

That Sign Variance Application SV.10-005, 2227192 Ontario Inc., be APPROVED, subject to the existing sign being removed.

Contribution to Sustainability

N/A

Economic Impact

None.

Communications Plan

The results of this application will be communicated to the applicant through the Secretary to the Sign Variance Committee.

Purpose

The applicant is requesting permission to install a wall sign on the building face of the subject property as shown on the attached drawings.

Background - Analysis and Options

Bylaw Requirements (203-92, as amended):

6.2 (a) Where a site plan approved by the City provides standards for signage and the signs for the development comply therewith, such signs shall be deemed to comply with this By-Law.

Noting the above, where the property is regulated by a site plan agreement approved by the City, only those wall signs and pylon signs approved under the site plan agreement are deemed to be permitted by the City's Sign By-Law.

Relationship to Vaughan Vision 2020/Strategic Plan

This report is consistent with the priorities previously set by Council and the necessary resources have been allocated and approved.

Regional Implications

Region of York Engineering approval is not required for the proposed signs.

Conclusion

The applicant is requesting permission to install a wall sign on the building face of the subject property as shown on the attached drawings. The proposed sign was not shown on the approved site plan agreement for the property.

Members of the Sign Variance Committee have no objections to the application subject to the existing sign for the unit being removed.

Committee members are of the opinion that the intent and purpose of the City's Sign By-law is being maintained.

If Council finds merit in the application, a Sign Permit issued by the Building Standards Department is required.
