

COMMITTEE OF THE WHOLE- JULY 6, 2010

AWARD OF TENDER T10-274 MARTIN GROVE ROAD WATERMAIN REPLACEMENT WARD 2

Recommendation

The Commissioner of Engineering and Public Works in consultation with the Director of Purchasing Services and the Director of Reserves and Investments recommends:

That Tender T10-274 for the Martin Grove Road Watermain Replacement be brought forward to Council for authorization to award, subject to receiving all necessary approvals.

Contribution to Sustainability

The installation of these services will ensure that an acceptable level of service by the City's infrastructure is maintained for the health and well being of its citizens.

Economic Impact

The economic impact to the City is unknown at this time. The Tender will close on June 30, 2010, and the economic impact will be identified in the additional information item at the July 13, 2010 Council meeting.

Communications Plan

Once the project is awarded, staff will advise the Ward Sub-Committee and will send out an Engineering Services 'Notice of Construction' letter to the affected residents.

Purpose

Council approval to award Tender T10-274, Martin Grove Road Watermain Replacement.

Background - Analysis and Options

The work covered by this tender includes the replacement of the existing watermain on Martin Grove Road from Highway No. 7 to just north of Woodbridge Avenue, (Capital Budget Project EN-1795-09). (See Attachment No. 1 for project location).

Staff will prepare an additional information report for this item after the bids are received and have been evaluated, for Council's consideration at the July 13, 2010 meeting. Construction is scheduled to commence in early August and is expected to be substantially completed by mid November 2010.
