

MEMBER'S RESOLUTION

Date:	JUNE 19, 2012 - COMMITTEE OF THE WHOLE
Title:	REPORT ON THE COSTS OF EXTENDING THE NORTH PARKING LOT AT MAXEY PARK
Submitted by:	Councillor Tony Carella

Whereas recent changes in municipal policy have resulted in an increase in the number of visitors to Maxey Park; and

Whereas the bulk of these additional visitors come by automobile from beyond the immediate neighbourhood; and

Whereas the number of parking spaces at the park is insufficient to meet the increase in the number of visitors arriving by automobile;

It is therefore resolved

That appropriate staff determine the range of costs associated with extending the north parking lot at Maxey Park in an easterly direction, into what is a more or less unused grass area, to provide an additional minimum of twelve spaces, and a maximum as shall be determined by staff as appropriate; and

That these costs form part of a report to be forwarded to the Finance and Administration Committee, for discussion as part of the 2013 budget process.

Respectfully submitted,

Tony Carella, FRSA
Councillor – Ward 2/Woodbridge West
