

COUNCIL- JUNE 25, 2001

WOODLAND ACRES CRESCENT – PROPOSED TEMPORARY PARKING RESTRICTIONS

Recommendation

The Commissioner of Development Services and Public Works recommends:

That between the hours of 6:00 p.m. on Friday July 20, 2001 and 2:30 a.m. on Saturday July 21, 2001, the parking of motor vehicles be temporarily prohibited along the south side of Woodland Acres Crescent from Rebecca Court to approximately 300 metres east of Silver Fox Place.

Purpose

The owner of the CSE Corporation Mr. Steven Muzzo will be hosting an annual Garden Party/BBQ for the “Player for Kids” and “The Good Sheppard” Charity on the evening of Friday, July 20, 2001. This event will be held at the owner’s residence at 50 Silver Fox Place. Based on information provided by the applicant, there will be approximately 300 guests attending the charity fundraiser and appropriate on street parking in the vicinity will be required, subject to temporary by-law controls.

Background - Analysis and Options

Woodland Acres Crescent is the first adjoining street off Silver Fox Place. It is a local street with an 8.5 metre pavement width and it serves the entire neighbourhood and provides access to Bathurst Street. Staff recommends that parking be temporarily restricted to one side of Woodland Acres Crescent during the event. This will ensure unrestricted emergency vehicle access and reduce traffic impacts on local residents.

Silver Fox Place is a cul-de-sac, which serves 8 residences. Staff does not require parking restrictions on the street in order to allow for some convenient parking in the vicinity.

The CSE Corporation will be required to notify the local residents of the event and the temporary parking prohibition. Staff will arrange to install/remove parking prohibition signs on Woodland Acres Crescent relative to the planned event and times.

Conclusion

It is recommended that Council adopt an appropriate by-law to authorize the above-described temporary parking restrictions.
