

## **COUNCIL ADDENDUMS – JUNE 24, 2002**

### **RE-NAMING OF VELLORE HALL PARK**

#### **Recommendation**

Councilor Ferri in consultation with the Vellore Woods Ratepayers Association recommends that Vellore Hall Park be re-named Vellore Heritage Park.

#### **Purpose**

The purpose of this report is to obtain Council approval with respect to a formal name change of Vellore Hall Park to Vellore Heritage Park to reflect the historic significance of the Vellore Hall Park area.

#### **Background**

The park site has recently been re-built as a component of the 2001 Capital Project to provide the community with a facility that accommodates their needs while respecting the historical significance of the two historical structures.

A letter was received in May of 2002 from the Vellore Woods Ratepayers Association formally requesting that the name of the park be changed in order to reflect the historical use of this site as a formal gathering place. In keeping with the proposed use and the historical importance of the site, the Vellore Woods Ratepayers Association has asked that the park be re-named Vellore Heritage Park.

#### **Conclusion**

It would be most appropriate and fitting for the City of Vaughan to recognize the importance of the Vellore Hall and School through the name change of the park in which these two Heritage buildings are located.
