Dear Mr. Leach:

Re: Retail Business Holidays Act Amendments

At its meeting of June 12, 2003, Regional Council passed a motion that staff be authorized to take the necessary actions to continue the process set out in the *Retail Business Holidays Act*, including giving notice of a special meeting of Council on July 1, 2003 if necessary, so that Council may consider Region-wide exemptions to the holiday provisions in the Act for the term years of 2003 at the earliest possible time. The motion was passed in connection with consideration of Region-wide initiatives to address the loss of business revenues resulting from the SARS outbreak.

It has not been established that Regional Council will hold its special meeting on July 1, 2003, at 9:30 a.m. The attached motions to this effect has been published this week in the local newspapers. The only "holidays" remaining in 2003, as per the Act, would be Labour Day, Thanksgiving Day, and Christmas Day.

The *Retail Business Holidays Act* provides that Council shall consider a by-law permitting retail business establishments in the municipality to be open on holidays for the maintenance or development of tourism only on an application. It also specifies that a local municipality may make an application. Each local municipality would need to make an application to exempt retail business establishments in that municipality.

Section 4(3) of the Act provides that Regional Council may only pass an exempting by-law if there is compliance with the tourism criteria set out in the regulations.

I am enclosing a copy of Regulation 711/91 setting out the tourism criteria. Section 5 of Regulation 711/91 provides that despite any other provision in the Regulation, retail business establishments in a municipality may be exempted for up to five (5) days a year during which a fair, festival or other special event is being held in that municipality. The application should indicate the fair, festival or special event.

We also refer you to Section 6 setting out the requirements of the application

Given the timelines of your Council wishes to make such an application, it would be appreciated if we could receive this application, with the specification of the retail business establishments, seasons or other criteria, holidays and times on those holidays, at the earliest possible date prior to the July 17, 2003 public meeting. Please note that it would only be necessary to make the application if your Council wishes that there be a change in the current exemptions applying to your municipality.

Please note that in the City of Vaughan, there are currently exemptions for the following:

Event	Date Exempt	Time Period	Exemption	Activities	Hours
Christmas Eve	Nov. 23, 1999	11:00 am - 12:00 pm	ALL RETAIL STORES within the following boundaries: 1000 West Beaver Creek Rd. from 10000 Highway 7 East to 10000 Highway 7 West. 10000 Highway 7 East to 10000 Highway 7 West. 10000 Highway 7 East to 10000 Highway 7 West. De: Kelly Reynolds Clerk
