

COUNCIL – JUNE 15, 2009

STREET NAMING/RENAMING FOR CERTAIN PUBLIC LANEWAYS

Recommendation

The City Clerk recommends:

- 1) That any deputations on the matter be received; and
- 2) That a By-law be enacted to name/rename public laneways as outlined on Attachment 1.

Purpose

To enact a by-law to name/rename laneways.

Contribution of Sustainability

Not applicable.

Economic Impact

It is estimated that the one-time cost of \$20,100.00 required by the Public Works Department to install the identification signs for the 33 existing assumed laneways. The funds have been provided in the 2009 operating budget.

Communications Plan

The required notice (Attachment 2) was advertised for two (2) consecutive weeks (May 21st and May 29th, 2009) in the City Page of the following papers: Vaughan Today and Vaughan Citizen/Liberal. The appropriate agencies have been notified of the proposed by-law. No objections have been received.

Background – Analysis and Options

At its meeting of November 10th, 2008, Council directed staff to commence procedures as required by the Municipal Act to advertise and schedule a Public Hearing to name/rename existing laneways that have been dedicated as public highways. The Development Planning Department has recommended that all existing and future laneways should be identified and signed at each end of a laneway in the event of emergency.

Relationship to Vaughan Vision 2020/Strategic Plan

This report is consistent with the priorities previously set by Council and the necessary resources have been allocated and approved.

Regional Implications

Not Applicable.

Conclusion

In order to complete the road name change process, Council's approval of this recommendation is required. A By-law will be brought forward to a future council meeting.
